

Exclusion Guidelines for Schools and Child Care Settings Clackamas, Multnomah and Washington Counties

Does the student have any of the following?

- Diarrhea: At least 3 loose stools in 24 hours – *OR* – sudden onset of loose stools.
- Vomiting: At least one episode that is unexplained.
- Fever: A body temperature of at least 100.5
- New Skin Rash, Sores or Wounds: Not previously diagnosed by a health care provider.

NO

**OK to attend
school or day care**

YES

For Diarrhea or Vomiting:

Stay at Home –

Until symptoms are gone for 24 hours.

DO NOT handle any shared food until 72 hours after symptoms are gone.

For Fever:

Stay at Home --

Until fever is below 100.5 for 24 hours **WITHOUT** the use of fever-reducing drugs (for example, Tylenol®, acetaminophen, Advil®, Motrin®, ibuprofen).

For Skin Rash, Sores or Wounds:

Stay at Home --

If rash is increasing in size, **OR** if new sores or wounds are developing day-to-day, **OR** if rash, sores or wounds are draining and cannot be covered with a bandage.

No contact sports until sores or wounds are healed or no longer draining.

For a cough lasting 2 weeks or longer, call your school nurse or student's health care provider.

For questions, concerns, or suspected outbreak, call your school nurse or health department.

Clackamas County Public Health Department: 503-655-8411

References

The County Health Department may issue specific recommendations for when an individual may return to school or daycare. If you have questions, contact your local health department.
