Our early childhood programs  
help young learners to:

Develop curiosity and an eagerness  
for learning.

Understand and feel good about  
him/herself.

Expand the world he/she lives in.

Communicate with others in  
many ways.

Do things independently and learn  
to work with others.

Develop good work habits  
and attitudes.

Listen and follow directions.

Develop muscles, senses,  
and coordination.

Handle his/her feelings as well as  
the feelings of others.

Develop literacy skills and  
number concepts.

Contact us to learn more about  
our programs.

We'd love to hear from you!

## Learning Together Come join us!

The  
Early Childhood and  
Preschool Programs of  
The West Linn-Wilsonville  
School District

## Our Beliefs

Early childhood programs in the West Linn-Wilsonville School District are based on the belief that young children "learn by doing". The complex interaction of thinking and experience determine the pace and range of each child's learning and skill development.

The goal of our programs is to engage children in experiences that enhance the natural processes of physical and intellectual growth. Parents and teachers are partners in support of children's development. Together we create active, productive classrooms and provide enriching experiences for learning.

**2012-2013:** Early Childhood and Preschool classes will be offered at three locations in our district:

- **Bolton Primary School, West Linn**
- **Boones Ferry Primary School, Wilsonville**
- **Lowrie Primary School, Wilsonville**

## Exceptional Teachers & Schools

Our preschool programs are nested within our primary schools where they naturally offer a sense of community connection and belonging with other children and families from the neighborhood.

Our teaching staff is highly qualified and all classes are taught by certified teachers who hold a current Oregon teaching license.

- Certified Teachers with Oregon teaching degrees and licensure
- Thoughtfully constructed preschool program that emphasizes early literacy and intellectual and creative engagement
- Small class sizes with 14-16 students
  - Full-time teaching assistant
- 5-day or 3-day a-week program offerings
- Access to state-of-the-art school libraries
- Invitation to school-wide events and celebrations

## Our Program Classes

We offer a variety of classes to help meet family preferences:

### **12—36 Months**

First Teacher: Parent & Toddler Together

**Three or Four Years Old**  
3 mornings a week; 3 hours

**Three or Four Years Old**  
5 mornings a week; 3 hours

**Four Years Old**  
5 mornings or afternoons a week  
3 hours

The dates, times and variety of classes offered at each school are updated on our district website: [www.wlww.k12.or.us](http://www.wlww.k12.or.us)

Registration and payment for these classes are conducted at each school office.
