Professional staff, college, high school and middle school staff provide a fun-filled outdoor education experience that includes daily field trips into beautiful natural settings and emphasizes science, fitness, healthy lifestyles, singing, games and group interpersonal skills and connections. Participants are included based on economic need. Contact SOAR Director/School Counselor, Mark Silverman, for more information.

We offer families a holiday basket of food and gifts. Gifts are collected to match the needs of individual families. Please contact Mark Silverman, our school counselor, in October or November if your family would like to receive a basket to be delivered the day before Winter Break.
