WEST LINN-WILSONVILLE
SCHOOL DISTRICT

PRESS RELEASE

West Linn-Wilsonville School District Announces Kindergarten Registration for the 2012-2013 School Year & Dual Language Informational Meetings

West Linn/Wilsonville, January 11, 2012: The West Linn-Wilsonville School District has opened kindergarten registration for the 2012-2013 school year. Parents may pick up registration forms from any of the primary schools or download the forms off the district website. Completed forms can be turned into the current home school as early as that same day. There will no longer be a "registration day" in February; instead, parents can return completed paperwork right away to their school office. Once boundary decisions are made, paperwork will be transferred to the appropriate school.

An all-day Kindergarten class will be provided at every primary school next year, including the two new schools Trillium Creek and Lowrie Primary Schools. Admission to all-day classes will be confirmed to families who register by February 1, 2012. After February 1, admission will depend on space availability. This continues to be a tuition-based class; a deposit of \$125 is required at the time of registration. Scholarships are available; these application forms are included in the registration packet.

On January 9th, the School Board approved and adopted a resolution to begin a kindergarten Dual Language Program in 2012-2013 at Lowrie and Trillium Creek Primaries to begin with kindergarten. Kindergarten registration forms will include enrollment interest for this program. The Dual Language Program will have a January 31, 2012 registration due date to accommodate a lottery process should there be more interest than capacity.

The district will be holding two community meetings to provide information and answer questions related to the dual language program. If you have any questions prior to the information meetings, please contact Kathy Ludwig at ludwigk@wlww.k12.or.us or 503-673-7031.
