**BOARD POLICY DEVELOPMENT**

It is the intent of the West Linn-Wilsonville School Board to develop policies and put them in writing so that they may serve as guidelines for the successful and efficient functioning of the West Linn-Wilsonville School District.

It is the Board's intention that its policies serve as sources of information and guidance for all people who are interested in, or connected with, the West Linn-Wilsonville School District.

The policies of the West Linn-Wilsonville School Board are framed, and are meant to be interpreted, in terms of Oregon laws, rules and regulations of the State Board of Education, and all other regulatory agencies within our local, county, state, and federal levels of government. The policies are also framed and are meant to be interpreted in terms of those educational objectives, procedures, and practices which are broadly accepted by leaders and authorities in the public education field.

The superintendent is to be delegated the responsibility to maintain the Board's policy reference files, to draft policy proposals as instructed by the Board, to maintain the Board policy manual, and to serve as liaison between the Board and the OSBA policy update series.
