GRANTS FROM PRIVATE SOURCES

The development of proposals to private foundations and other sources of financial aid for subsidizing such activities as innovative projects, feasibility studies, long range planning, and research and development will be encouraged by the board. All such activities are to meet the following criteria:

1. Be based on a specific set of objectives that are related to the established goals and objectives of the district.
2. Provision for an evaluation process to determine whether or not project objectives are being met or have been met.
3. The procedure for all projects is to conform to state and federal laws. Administrative guidelines will be developed by the superintendent for processing proposals for approval. Approval by the superintendent/designee of all grant proposals must be done before submission to the funding agency.
