SCHOOL BOARD POLICY**

Current File Code: DJGA

SALES CALLS AND DEMONSTRATIONS

The Board forbids canvassing or selling on school premises without prior consent from the board. Calls by sales representatives, making contacts concerning possible purchases by a school, are subject to the control of the principal.

Sales representatives are not permitted to call on teachers or other staff members without permission from the building administrator. School administrators may grant permission to sales representatives to contact staff members at times when visitations will not interfere with the educational program.
