**USE OF SCHOOL FACILITIES**

It is the policy of the West Linn-Wilsonville School Board that school buildings and other district facilities shall be made available for use under capable and responsible adult supervision. All applicants for the use of school facilities must be residents of the West Linn-Wilsonville School District.

Community activities of an educational, recreational, civic, partisan, political, or sectarian nature may occur in district facilities. Play fields are considered district facilities within the meaning of this policy, and their use requires adherence to this application and approval process.

In the event that the district purchases property for future school sites, the superintendent is authorized to arrange for a caretaker or other means to maintain the property and any buildings or other facilities on the property at a level consistent with community standards. The arrangements of a caretaker may include allowing the caretaker the use of residential facilities in exchange for caretaker services, or the arrangement may include allowing the caretaker to grow and harvest a crop on district-owned property in exchange for maintaining the property. In no event, however, will the caretaker be permitted to conduct other private business activities on district-owned property.

All applications must be filed for approval annually. No approval will be granted for a period longer than one year. It is the intention of the school board to promote diverse use of district facilities.

Procedures to implement this policy, including general rules and regulations, will be developed and administered under the supervision of the superintendent of schools.
