Forecasting Important Dates

Monday, February 27th – Forecasting Assemblies

- 4-Year Planner
- Transcript
- Colored Forecasting Form

Wednesday, March 1st – Monday, March 6th

- Counselors will meet with each student individually to help in the forecasting process. These meetings have already been scheduled and will coincide with your **English class**.
- Turn In the following during your individual meeting with your Counselor:
 - Colored Forecasting Form
 - Yoga or Nia Form
 - Aide, Pro or Student Assistant Forms (if applicable)

Required Courses for Seniors

- English 12

OR

- AP English Literature/Composition

In Advanced Placement English, students are engaged in the critical reading and analysis of literature. They study the individual work: its language, characters, action, and themes. They consider structure, meaning and value, and relationship to contemporary experience as well as to the times in which it was written. The course will concentrate on the study of challenging works of recognized literary merit. Students are involved in both the study and practice of literature, and the study of writing. There is a heavy emphasis on analytic writing. Students continue to develop their ability to write in-depth analyses of philosophical issues that are well organized and interesting. **Out of class requirement:** This course requires substantial time and effort outside of class to prepare adequately for the *required* AP Exam.

- For more information see web site:
www.wlww.wlhs.k12.us , Ms. Yamauchi, or
Counselor for more information

Advanced Placement (“AP”)

- Advanced Placement courses are college level courses that are graded on a weighted scale (i.e. “A” = 5.0, “B” = 4.0, etc. This does not apply to D grades).
- At the end of each course you will be required to take a national AP exam that determines the number of college credits you will receive for that particular course. It is up to the college whether or not they will accept AP college credit.
- *Leading up to forecasting you will have discussions with your teachers about recommendations for AP level courses. Each course may have specific application requirements and possibly summer work. You will not be allowed to drop an AP course once the class starts.*

Advanced College Credit

- Completing ACC approved courses with an “A” or “B” will earn community college credit that can be transferable to many 4 year universities.
- CCC will notify students taking ACC approved courses for registration. You must pay \$10 per credit to receive college credit (i.e. 4 credit course = \$40).
- Students CAN NOT get both ACC and AP credit for one course.
- Review list of approved ACC courses on our website www.wlhs.wlww.k12.or.us > Academics > Curriculum > Advanced College Credit
- See counselor for additional details!!!

Oregon University System “D” Rule

- ***No Oregon public university will accept grades lower than a “C-” in required academic courses.***
- Student with “D’s” or lower in these courses will be required to make up the credit before applying to an Oregon public university.
- See your counselor about credit recovery options!!!
