Education Foundation Count Me In Campaign Update

A big thank you for making a difference! Trillium Creek Primary is now at 37% of our target goal with 27 donors thus far supporting our *Count Me In* Campaign. We have just a few more weeks to go on our school's Education Foundation goal of raising \$10,000. This will support the overall goal of adding three new teachers to our district in the coming school year. If you have not yet done so, please consider making a donation by going to the website *Any amount counts as we work toward our goal!*

Additionally, don't miss a chance to support our local schools through the West Linn-Wilsonville Education Foundation by joining in the fun and fitness at the **Tonkin "For the Love of Schools" Run on Sunday, June 5th**. The run is a fun family friendly event that truly complements the Education Foundation *Count Me In* campaign that by then will be in its final week.

You can find more information at the websites for these opportunities. Count Me In! information is available at <http://www.wlwfoundation.org/>.

"For the Love of Schools" information can be found at <http://www.tonkinchallenge.org/>

Thank you!

THANK YOU VOLUNTEERS

The PTA sponsored a wonderful week of recognition, food and festivity in appreciation of teachers last week. Thank you to all who went out of your way to give us a special week. The Trillium staff would like, in turn, to recognize the volunteer force that enables us to do what we do each day and offer additional learning and community building experiences to our children.

In the month of April alone, nearly 900 hours of volunteer support were generously shared with the staff and students of Trillium. Across the school year, over 6,500 hours have been logged into our volunteer registration system. Volunteers provide support in a great variety of ways: classroom help, reading with students, preparing and hosting tastings from our school garden, accompanying classes for work in our school garden and around our grounds, Forest Flyers, library, art literacy, field trips, book fair, special events such as Backyard BBQ, Harvest Happenings, Pizza Bingo, and 5th grade promotion and much more.

We have two exciting volunteer opportunities still remaining, fun run and field day. These culminating events are some of the most fun of the year. Be watching for emails from Trillium Creek PTA or follow the link below if you are looking for an opportunity to volunteer. The sign up wiki, sponsored by our PTA, is easy to use.

While you are checking your calendars to see if you are able to join in the fun on those days, please save the date, Thursday, May 26th. All who have volunteered in some way this school year are invited to join us at 2:15 that day for some scrumptious desserts and a chance to chat with teachers and other volunteers. We will supervise your students on the playground for you while you enjoy.

So, here's a big THANK YOU for the volunteer support that makes Trillium an exceptional place for our students!

The TONKIN CHALLENGE & More Money for the Arts!

The Tonkin Challenge is a non-profit fun run designed to put 100% of entry fee dollars back into school programs. The 5th annual race will be held on Sunday, June 5, 2016! Your entry in the race or purchase of entries as gifts puts all those dollars back into your school programs. **Designate MAP - Music and Arts Partners as your fund of choice, and our nonprofit will receive 100% of your entry fees for our grant and scholarship programs.**

It is easy, it is fun and it is more money for the Arts!

Music and Arts Partners (MAP) of West Linn-Wilsonville is a volunteer-run nonprofit fundraising organization that grants money to every school in the district for music and arts programs. Thank you for your support!

The arts are an important aspect to the development of your child. Studies show participation in music and fine arts programs in school improves study habits, test scores and grades. Fine arts programs have also been shown to enhance creativity, math and original thinking skills. Simply put - music and arts programs make our kids better students, better thinkers and better people.

The volatile nature of our school funding through the state puts programs such as music and arts at risk. There are many alternative ways to raise funds bolstering these programs, but none are as easy or as generous as the Tonkin Challenge.

You can contribute in the following ways:

- Register to run! We have individual and family plan entries available at **www.tonkinchallenge.org**
- Sponsor a teacher to run!
- Sleep in that morning and participate through a Sleeping entry!
- Remember – 100% of your fees will flow right to MAP!
- **Be sure to check MAP – Music and Arts Partners as your designated fund of choice.**

Register today and show your support for MAP!

LOCAL SCHOOLS

A note about the Tonkin Challenge: This is the fifth year of the Tonkin Challenge Fun Run benefitting seven school districts, including West Linn-Wilsonville. 100% of all entry fees and proceeds from the business posters go right back to local schools and nonprofit organizations. Last year, the race raised \$28,000. The event is focused on “having fun, being well and raising funds for schools”. It is held the first Sunday in June at Audi Wilsonville.
