### **Notice to Short Term Workers at West Linn High School**

All workers entering this building must sign in, thereby acknowledging the presence and locations of asbestos containing building materials in West Linn High School. No work will be authorized in the areas listed below without prior approval from Tim Woodley, the AHERA Designated Person for West Linn-Wilsonville School District.

Sign in sheets will be picked up at the time of the six-month periodic surveillance and will be placed in the building's asbestos management plan.

At West Linn High School, asbestos-containing building materials in the 700 Building are suspect or know to contain asbestos include floor tile/mastic fire doors, and concealed pipe insulation. Additionally, asbestos containing building materials may be concealed behind walls or in foundation pipe chase areas in the old gymnasium, boy's locker room and music building. No exposed asbestos materials are present in the Main Building or Music Wing Areas. *Asbestos containing building materials, locations and quantities are published in the facility Asbestos Management Plan that is available at each site, at the District Operations Center, and will be posted to the virtual **RIGHT TO KNOW CENTER**.*
