OddParents FUNdraiser Butch Hartman recreated his famous characters as part of a fundraiser for The Colton Holly Memorial Scholarship Fund & The Lowrie Primary PTA. Each kid was given a sketch pad, Butch walked through how to draw characters. Each of his drawing were giving away, the kids answered a fun question to get one! Butch drew and autographed a character for each kid. They received an autographed Fairly OddParents 8x10. This event was attended by 35-40 kids and raised **\$306.59** that will be split between the two organizations listed above. Butch has already indicated his willingness to be involved with this fundraiser the next time he is in town!

The Zoup! and Subway Restaurant Fundraiser events were well attended, thank you all for making them such a great success!!!

NUT FREE Last fall the PTA discussed the dangers associated with food allergies and resulting anaphylaxis, particularly with regard to peanuts and tree nuts. As a result of these discussions, the members voted at the January meeting to have nut free events. We need your help. Out of love for those among us with nut allergies, please help us to ensure that all of our events are nut free by checking any food you bring to a PTA event for ingredients with nuts.
