

SCHOLARSHIP SEARCH – NAVIANCE

- Go to the WLHS website. Click on Guidance; then click on Naviance Family connection. Sign in, using your username (usually your WLHS email address) and password. If you do not remember your user name or password, contact Sandie Yamauchi at yamauchs@wlwv.k12.or.us.
- Click on the **Colleges** tab. Scroll toward the bottom of the page to the section, **Scholarships & Money**.
- Click on, **Scholarship List**. This will give you the list of Scholarships with deadlines and maximum awards.
- Click on the name of the scholarship to get details about the specific scholarship. For example, description of the scholarship, minimum requirements, where to find the scholarship application. There will either be a website you can click or a form you can download. Read carefully to determine how to submit your application. Please note that the due date is the **final** date the application is due. However, you can turn your application in **earlier**. You can spread out the applications you are working on so you don't have to work on multiple scholarships with the same due date.
- Every week, we receive scholarships to add to this list. These are scholarships that are offered nationally or the greater Portland area.
- Around February, we start to receive information about local scholarships. These are scholarships that are awarded to seniors graduating from WLHS or a high school in Clackamas County, depending on the scholarship.
- Also in Naviance, under **Scholarships & Money**, there is a scholarship search engine called **National Scholarship Search**. Click on that title instead of **Scholarship Search**, fill out the short questionnaire and a list of scholarships will be created based on your information.
