

Name: _____

Date: _____

Period: _____

Eight Characteristics of Life

Directions: Think about the meaning/significance of each characteristic. Look through your text. Select an image that represents each characteristic well. Make a sketch modeled after the image to help you to recall the characteristic. Give a brief description of the characteristic below the sketch.

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

What non-living things have some of the characteristics of life? Why are they not considered "alive"?
