

2019-2020

Dear Students and Parents,

This letter is intended to clarify the admissions process to the Wilsonville High School National Honor Society. The Honor Society is based not only on academic achievement, but also on leadership, character, and community service. Once the NHS Renewal Membership form and attachments are received, they are reviewed by the Faculty Council, which is comprised of five teachers at WHS. The National Honor Society advisors are nonvoting members of the Faculty Council and have no influence regarding acceptance into National Honor Society.

General meetings of the National Honor Society will be held monthly throughout the school year with special session called only as needed. In order to qualify for NHS membership, students must attend a majority (4 out of 6) of these meetings. Attendance is very important so students are able to receive information regarding community service activities and NHS membership requirements.

Scholarship: Students must maintain a 3.5 (unweighted) cumulative GPA and be working toward appropriate levels of performance proficiency in classroom practice and/or through standardized assessments.

Leadership: Students must be active participants in extracurricular experiences along with positions of leadership in school and community. Leadership activities can be completed in school by organizing activities for a group, or serving as a team captain for a sport. Leadership activities can also be completed outside school with a church group or other organization. For example: you can take a leadership role in the community by organizing a walk- a-thon to support an organization in need. Babysitting is not a leadership position.

Character : Students must exhibit exemplary levels of respect, responsibility, integrity, honesty, compassion and courage through appropriate behaviors. Attached to this NHS Renewal Membership form are rating sheets for teachers to complete. Students should give these sheets to their teachers beginning December 1st so that teachers are given time to complete them before the form deadline. These sheets are not returned to the students but are turned in to the Faculty Council, which reviews them along with the completed NHS Renewal Membership packet. **Due date for the Character Rating sheet to be turned into teachers is no later than Friday, December 13, 2019 by 3:15 pm.**

Service: Students must also complete 20 hours of community service in the nine months preceding the application date. Ten of the community service hours must be completed through National Honor Society community projects. Information regarding these projects is shared at the meetings or through email. Students need to contact the advisors if they have any questions about whether or not an activity will qualify as community service. **Turn in Community Service Cards by Friday, February 7, 2020 by 3:15 pm.**

Thank you for taking the time to read and understand the admissions process into Wilsonville High School National Honor Society. Please sign and date the appropriate spaces on the NHS New Membership form.
