

## Parking Information

Vehicle parking at Wilsonville High School is a privilege offered to Seniors and a limited number of Juniors only. Sophomores and Freshman will not be allowed to park on campus. Due to limited availability, parking permit tags must be purchased and displayed. Each student will be assigned a specific parking space in a school lot (Front, Pointe, Tennis or Boeckman) and will be given a corresponding permit. Parking permits need to be purchased through the bookkeeper's office for \$85 with ASB card. Students must hang their WHS parking permit from the rearview mirror when on campus. **Student cars not displaying a parking permit or parked in staff or other reserved spaces will be subject to a \$20 fine for the first violation. Second violation will result in a \$40 fine. Students may have their parking privileges revoked if 3 or more violations occur during the school year.** All fine proceeds are donated to Doernbecher Children's Hospital.

Permission to drive and park on campus may be revoked at any time due to a driving infraction or if a student does not maintain good standing with respect to behavior and attendance. In cases of serious driving infractions, law enforcement may be notified.

### MOTOR VEHICLES (Students Rights and Responsibilities Handbook)

#### Students have the RESPONSIBILITY

- To drive a registered and administratively approved vehicle.
- To pay the appropriate parking fee.
- To follow the instructions posted and listed in District regulations
- Students who have registered vehicles, including paying the parking fee, and have been assigned a parking space will be permitted to park on campus. **Students who park in STAFF or other NUMBERED SPACES, FIRE LANE (red curb)** or other specifically designated parking spaces, are subject to **disciplinary action**, including **fin**es. All vehicles must be driven no more than 10 miles per hour, and in a safe and non-disruptive manner while on campus.

To maintain the privilege to drive and park on campus, students must be in good standing with respect to behavior and attendance. Permission to park on campus does not imply permission to leave campus during the school day. Parking permits must be placed on the rearview mirror and remain clearly visible at all times.
