

**West Linn-Wilsonville School District
2021-2022 Preschool Program**

West Linn-Wilsonville School District is closely following COVID-19-related health and safety guidelines from the Oregon Department of Education (ODE) for the 2021-22 preschool program. At this time, the district hopes to offer preschool classes described below. However, our ability to reopen preschool is dependent on future updates from ODE.

Beginning on April 2, families may use our [online registration system](#) to preregister for preschool. Completing the preregistration holds a preschool spot for your child while we await the 2021-22 school safety guidelines from ODE. When we are able to confirm the reopening of preschool, families will be contacted to confirm registration and collect a deposit.

The preschool program is tuition-based. Sessions and cost are detailed below. Families who need financial assistance to access preschool may contact the school office and speak with the principal. Parents will need to provide transportation for their child.

For more information, contact one of the schools listed below.
