Our early childhood programs
help young learners to:

Develop curiosity and an eagerness
for learning.

Understand and feel good about
oneself.

Expand the world one lives in.

Communicate with others in
many ways.

Do things independently and learn to
work with others.

Develop good work habits
and attitudes.

Listen and follow directions.

Develop muscles, senses,
and coordination.

Handle one's feelings as well as
the feelings of others.

Develop literacy skills and
number concepts.

**Contact us to learn more about
our programs.**

We'd love to hear from you!

**Learning Together
Come join us!**

Our Beliefs

Early childhood programs in the West Linn-Wilsonville School District are based on the belief that young children "learn by doing". The complex interaction of thinking and experience determine the pace and range of each child's learning and skill development.

The goal of our program is to engage children in experiences that enhance the natural processes of physical and intellectual growth. Parents and teachers are partners in support of children's development. Together we create active, productive classrooms and provide enriching experiences for learning.

Class information and registration forms are available on our district website: <http://www.wlww.k12.or.us> Programs/Preschool/Kindergarten page or you can contact your school office.

Registration and payment for all preschool classes are conducted at the school office.

Financial assistance is available, please contact the school office and speak with the principal.

Parents will need to provide transportation for their child to/from class. Some limited transportation will be available upon qualification.

Exceptional Teachers & Schools

Our preschool programs are nested within our primary schools where they naturally offer a sense of community connection and belonging with other children and families from the neighborhood.

Our teaching staff is highly professional and all classes are taught by certified teachers (or teachers on track for certification).

- Thoughtfully constructed preschool program that emphasizes early literacy and intellectual and creative engagement
- Small class sizes with 14-16 students
- Full-time teaching assistant
- Access to state-of-the-art school libraries
- Invitation to school-wide events and celebrations
- Spanish/Chinese language integration at four locations: Boeckman Creek, Cedaroak Park, Stafford, and Sunset

Family Support Services

West Linn-Wilsonville Preschool Family Support Services:

- Breakfast or lunch option through our district meal program
- Health Services
 - Connecting to insurance
 - Support with immunizations and dental exams
