

Personal Fitness Walking Field Trip Permission Form 2019-2020

Personal fitness will take part in off campus walking workouts around the West Linn neighborhoods. In order to allow flexibility for these valuable workouts, this permission will extend for the entire 2019-2020 school year. The trip destination and walking route along with a list of students on the walking trip will be communicated to the main office.

If a parent or guardian is expected to take his/her students out of school for any reason during the school day, it is important to notify the school in advance what time check out will occur. Plans can then be made to be certain the student is in the building at that time.

Separate permission forms will always be used when any form of transportation is involved.

I hereby give permission for my child to participate in supervised neighborhood walks during the 2019-2020 school year.
