

We are so proud to recognize the 115 students who have been selected by the faculty of our school for successfully completing their candidacy and are being inducted as either new or renewing members of the Wilsonville High School National Honor Society chapter.

These members serve as role models for other students. In addition to the strong academic records which established the eligibility for membership, our chapter members are leaders in many student organizations and serve our school and community through countless volunteer and extracurricular activities.

We would like to recognize this year's NHS officers and thank them for all of their hard work. These students are elected by their peers each year and are responsible for leading the monthly NHS meetings as well as providing information and organizing service opportunities for members during the school year. This year's NHS officers are:

Kylie Hix, Senior
Viv Kiss, Senior
Yaya Kiss, Junior,
Jensen Lorio, Senior
Camryn Pettenger-Willey, Senior
