

Frog Pond Primary FAQ

1. Q: What are the hours of construction in Wilsonville?

A: City of Wilsonville Construction hours are from 7:00am until 8:00pm on weekdays and 9:00am until 6:00pm Saturdays Pacific Standard Time. During daylight savings hours are weekdays from 7:00am until 9:00pm and 9:00am and 7:00pm on Saturdays.

2. Q: When will drawings be released to the public?

A: The district and design team is working towards an initial concept to present in Summer 2022.

3. Q: Will there be opportunities for community input?

A: Yes. There will be multiple opportunities through community presentations, Q&A, Survey and individual conversations. There will also be opportunity through the City of Wilsonville Permitting process.

4. Q: What year will the school open?

A: The school is expected to open for students in the fall 2024.

5. Q: How do you publicize meetings for those without kids in schools?

A: Meetings are announced via district email listserv and project web page at:

Project website: <https://www.wlww.k12.or.us/Page/8052>.

Sign up here for email listserv updates: <https://www.wlww.k12.or.us/domain/1972>

6. Q: When will construction start? Be complete?

A: The project is scheduled to start construction in spring 2023 and be complete for school opening fall 2024.

7. Q: Is there a sequence of what grades will start at the school first?

A: All primary school grades will start the first year, K-5.

8. Q: Is kindergarten all day, what grades will this school hold?

A: Kindergarten is all day as of September 2015. This new school will hold Kindergarten through 5th grade.

9. Q: What are the school boundaries going to be?

A: The boundaries are not currently known. There will be a process for community input when this process occurs.

10. Q: Will construction align with the proposed bridge over the "Boeckman dip"?

A: These projects are expected to overlap. The district and city will stay in contact for coordination of issues that may arise.

11. Q: How many stories is this school proposed to be?

A: This new primary school is expected to be a one story building.

12. Q: Why build a primary school on this site?

A: The current residential development is around this site. The district and community prefer to build schools as neighborhood schools.

13. Q: Is a new primary school needed?

A: The district's enrollment forecast indicates a need for additional primary capacity to serve the expanding Wilsonville community.
