

## Weather vs. Climate: What's the Difference?

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Period: \_\_\_\_\_

LT: I can differentiate between weather and climate.

Directions: Read the Newsela article – *What's the difference between weather and climate?* two times. The second time through, take notes on each of the topics in the Cornell Notes. Afterwards, summarize what you have learned using the Venn diagram. Then take the quiz on Newsela.

Key Points	Details
1. Introduction	
2.	
3.	
4.	
5.	

Now use what you have learned about weather and climate to fill out the Venn diagram below.
