

West Linn-Wilsonville School District 3Jt
Administration Building

October 2018

Dear Parent,

Every year Immunization data is collected by the State of Oregon for each school. We are now required to make this data available to parents twice a year.

Here is a snap shot as of January 2018 of the number of students enrolled at your school, the number of students who have Nonmedical Exemptions for one or more required vaccines and what percentage that is of the population.
