

### Your Team

#### **Brittany Bucholz**

Secondary Schools Social Worker

#### Dr. Mayra Gómez

Director

### Kimberly Gwin

Counselor for 6, 7 & 8th grade.

### Agenda

Tonight's focus is to provide families with resources needed in order to:

- Finish Quarter 1 (Q1) and know where to turn and who to turn to for support.
- Ensure your role as a Learning Coach is moving smoothly
- Effectively plan for Quarter 2 (Q2) and potentially adjust what students previously forecasted for.
- Meet our District's Secondary Schools Social Worker who can assist our families in a variety of ways.

All will be discussed with our student and family's health and happiness in mind.

### Important Upcoming Dates

Quarter 1 ends on Nov. 13th

\*

Quarter 2 begins on Nov. 17th

**Thanksgiving Break** is Nov. 23rd - Nov. 27th Students do not have school during this week

The remainder of the school year will follow the WLWV district calendar.

### **Learning Online**

Did you know that the Online Middle School Program has 430 students in it?! We will be in this online platform all year. While our students and families miss many elements of attending school in the physical sense, we're so grateful to remain a part of your student's educational journey.

#### **Shared Experience**

We invite you to carve out time to celebrate YOU and your STUDENT.

We're here to celebrate our time together this quarter and acknowledge that each student and family keep at this despite the many challenges presented each day.

- Check your student's Class Connect and log into your Learning Coach account.
  - Directly email your student's teacher for information about student progress if you have questions.
- Classes that are two quarters will occur in alternating quarters.
- Families will have access to their Q2 courses in Parent/StudentVue by Monday, Nov. 9th.
  - Request for elective options will be discussed in a mome
- All students will stay in their mathematics course for the full year.

# Common Questions asked by students and families regarding Q1

### What is the final day to submit work?

Friday, Nov. 13th
Students should submit their
assignments as soon as
possible.

If you need assistance, contact your student's teacher.

# Will I have the same teacher(s) in the later Quarters?

#### Yes

Homeroom teachers and core teachers remain the same every quarter.

# What do middle school grades look like?

Middle School grades are issued by teachers; not the FuelEd reporting. The grading system for all middle schools in the district is as follows:

A (90%+), B (80-89%), C (70%-79%)

Not Yet Meet/NYM indicates student is making progress towards learning target and grade can be changed.

No Pass/NP indicates that the student has demonstrated minimal progress towards learning targets within the provided time frame.

- Prepare a daily schedule.
  - Your student's Class Connect page shows the daily schedule of teacher's live lessons, small groups and more.
- Ensure students are attending live sessions
- Check email daily
- Review student's work and progress for each course
- Ask teachers for help when needed

If you have questions about your Learning Coach account, please email Julie Lane: lanej@wlwv.kl2.or.us

# Let's help our students find academic peace in the OP.

Have the conversation. Feel free to use these guiding questions when planning ahead with your student.

Have we checked in lately? How do you think/believe you are doing in school? How are you feeling and is there anything we want to adjust for the future in the OP?

Are the core classes keeping you busy? Not busy enough?

Do we have the time and balance to schedule in more than 3 classes this next quarter? How do we know this?

Do we want to attend more live sessions? Small groups? Tutoring in Class Connect with Ms. K?

Want to update what your student forecasted for? No problem. Hover over your student's home school name to be redirected to an elective request form.
