B. MINUTES REVIEW:

The minutes from all meetings are available on the website: <http://www.wlww.k12.or.us/Page/3135>

C. OUTSTANDING ACTION ITEMS:

Item	Description	Responsible Party	Status (due by)
14.4.3	1. Classroom numbers District-wide 1-20-16: The two high schools will be the first buildings to install numbers. If numbering discrepancies are found, DOWA will be notified to review. A recent bill created a state database of all school plans. Pat will find out who to contact so that we send updated floor plans to them. Wilsonville schools will be worked on first.	<i>Bond Project/Pat</i>	Ongoing
15.3.7	2. Quarterly Inspections – These are safety inspections that should be done at each site. 1-20-16: Remo put together a plan to track things. Mindy updated Mark's floor plan book. Mark will begin inspections next week.	<i>Mark/Pat</i>	Ongoing

Item	Description	Responsible Party	Status (due by)
	2-17-16: Mark has four completed.		
15-4.1	3. Intercom System and communication issues in various places in the District. 1-20-16: Seven schools are complete and three that only need minor items. The new system is compatible with our system. Four schools need complete new systems installed. This work has been done with the help of designated funds from the bond projects. Curt is working on a list of schools that need work done outside of the bond's scope of work. This will include projected cost. Sunset will not be done since it is being rebuilt. There was some discussion about having this system at the DOC and Admin. 2-17-16: All schools may be completed over spring break.	<i>Curt/Tim</i>	Ongoing
15-11.1	4. Lamps and portable heaters at school. Pat and Cindy will create two safety moments. One on lamps and one on portable heaters. 2-17-16: These will go out very soon with a disclaimer that these are discouraged.	<i>Pat/Cindy</i>	February 2016
16-1.3	5. Student Safety – Tim will meet with Aaron and Bill and recommend that a steering committee is formed to define the next steps of a student safety plan. The committee will have the following representatives: a. Operations b. HR c. Supt's office d. Technology e. Principal f. Parent g. Classified Staff h. SRO i. Board Member j. Certified Staff k. Student Services 2-17-16: Tim and Aaron met to discuss this topic. Our next step is to coordinate with Elert & Associates to create a template for site safety management plan for each school. Elert would then move forward in creating an emergency response plan for each school and one district plan. An updated booklet for classrooms will come out of this work. Staff training would be defined. Tim would then take the plan and meet with all parent groups. This will include reunification plans.	<i>Tim Woodley</i>	On-going

NEW SAFETY COMMITTEE ISSUES:

1. Tim met with the City of Wilsonville – City Engineer – regarding a training exercise they will be doing in the spring. We provided data sheets for them on all of our Wilsonville sites.
2. Tim has been assigned to the City of West Linn traffic safety committee as a member. It's a forum for any citizen to bring forward traffic concerns. Tim will bring three items to this group. Two have to do with the Trillium Primary School neighborhood. Traffic hindering mail delivery, students and traffic safety, etc. Officer Bunch shared that officers have been assigned to a couple of schools to have a presence in the morning. Dollar Street property issues regarding safety.
3. We are in the construction document stage for design for the new schools. These schools will have entry systems where entry goes directly through offices. This is in response to school safety.

- Reports –
 - Crisis Management Plan updates.
 - Safety & Health Plan (OSHA) updates.
 - Emergency Response Plan
- Site Visits –
 - Elert & Associates Site Visits – reports will be provided with recommendations for improvements in the area of safety for each school.
11-18-15: Cindy reported that four of the fifteen assessments have been received as of today.
12-16-15: All reports are completed. They are completing a district-wide summary report and will submit it to us soon. Each report has a matrix of prioritized issues. These will be combined as a district-wide matrix which will assist us in prioritizing issues. Michael presented a summary report of the site assessments to the administrative team.
 - 1-20-16: Michael presented the findings to the administration team and a board member. The District-wide assessment has been reviewed. This project has been completed.
- Emergency Site Plans (Crisis Management Plan) will be created for each school. Remo will create a proposal to assign this work to Elert.

NEXT MEETING: March 16, 2016 – DOC Conference Room, 7:30 AM
