Item	Description	Responsible Party	Status (due by)
15-4.1	3. Intercom System and communication issues in various places in the District. 4-20-16: Curt and Tim have discussed this project. How we use this system will be included in the Emergency Management Plan. Maintenance staff, building engineers may also be trained in using this system. 5-18-16: Tim reminded the group that we need to talk about how these systems are going to be used. We want to make sure our on site staff are trained to use these systems. When this project is complete, we need to give training and incorporate it into our emergency response plan.	<i>Curt/Tim</i>	Ongoing
16-3.1	4. Superintendent Search – safety oversight.	<i>Tim Woodley</i>	Ongoing
16.3 16.4- 1,2,3,4	5. Elert is working with the district on creating a District-wide emergency management plan. a. HB 4075 Statewide School Safety Tip Line will be established b. Surveillance Video Cameras – Management and maintenance c. Radio Communication – Meet standards for communication tools d. GAO Emergency Management – gather info and assist districts e. Special Classroom Door locks that function by fault	<i>District Safety Committee</i>	Ongoing
16.5-2	6. Communication - Pat reported that schools are not consistent in what they use for on-site communication. There are companies that can supply radios for on-site or district wide communication. Tim recommends this discussion take place at a district level.	<i>Pat McGough</i>	Fall 2016
16.5-3	7. Is there a possibility for eye wash stations in each of our health rooms? Multi-use eye wash bottles have been used but stopped due to the risk of cross contamination. We are investigating the cost of individual eye wash vials but investigating all options. Paula brought this forward with a need for health rooms. Pat suggested she check into the portable units. But, in the health room there is a component that can be attached to the existing sink. We will research this solution. Tim will make sure this is a part of the architect's plan for the two new schools.	<i>Pat McGough</i>	Fall 2016
