They will add sections on lock in and lock out as well as intruder response. We are awaiting this update. 5-21-14: include dangerous intruder information. Include fire and earthquake safety. Paula wants to add a section on making a copy of the student's Data Verification Form whenever 911 is called as well as the steps to take for bloodborne pathogens exposure.	<i>Committee</i>	Fall 2014

Item	Description	Responsible Party	Status (due by)
13.03.2	District Safety and Health Plan – updated in 2006. Needs to be updated. Consider adding these sections: student safety, building security, flight teams, Hep B vaccinations. (notes archived) 5-21-14: include dangerous intruder		Summer 2014
13.11.2	Pat brought forward a concern about four classrooms in the two new schools where there appears to be no hiding place. They are the two behind the kitchen server areas both upstairs and downstairs. Pat wondered if blackout shades should be installed that could be pulled down when needed. Tim shared concern that when kids are in porches they could be seen from anywhere. Tim said we would solve this issue at both locations for these eight unique classrooms. Pat will install blinds. As we hear of unsafe situations, we will address them. (notes archived). May want to apply for safety grants. 5-21-14: Pam is checking on suppliers and options for solving this safety issue.	<i>Tim</i>	Summer 2014
13.11.3	Crosswalk issue at WLHS – Tim will work with a parent to solve the issue of people not stopping to allow people to cross safely. (notes archived) 5-21/14: Tim reported that we are going through a process with the City of West Linn for this plan. A full report has been written and reviewed by the City. Design drawings have been created. Construction drawings have been prepared and are being reviewed. Bid will take place this summer.	<i>Officer McKean</i>	Summer 2014
14.1.3	Another items from the “I Love You Guys” foundation, is a standard reunification method for following up after an emergency. Tim encouraged the committee members to visit the “I Love You Guys” website and become familiar with the site. Tim will refer to this site with communication in regard to school safety. This plan may be adopted by WLWSD. This will become the plan.	<i>Watching</i>	In progress
14-4.3	Doug installing outside window room identifying stickers for emergency response. Cost approx. \$10,000. 5-21-14: stickers were ordered and received. They began installation, but were asked to stop since interior room #'s did not match architect plans. This will increase the original expected cost.	<i>Pat</i>	Summer of 2014
14-5.1b	Paula brought forward a concern about employees following the proper steps for a bloodborne pathogens exposure. It was decided that a safety moment will be created by Paula and Cindy and sent out quarterly to remind employees. Postponed until next school year.	<i>Cindy</i>	Sept 2014
14-6.2	How we respond to reports of illness as far as cleaning routines came up as a topic. This will be tabled until September.	<i>Pat</i>	Sept 2014
