Trillium – When the school opened, the community was concerned about driving habits. Hidden Springs Rd and that neighborhood. Tim reached out to the police. The next day the police were visible. Tim talked to neighbors and they appreciated the police presence. Tim mentioned that a big component of the safe routes to schools is teaching students how to be safe in biking and walking. Boones Ferry – New crossing signals were installed. Principal asked if they need crossing guards. Tim said Boeckman and Boones Ferry will continue to have crossing guards to educate kids on how to use crossing signals. 10-21-15: Lowrie has stopped putting out the signs. NEW SAFETY COMMITTEE ISSUES:

1. Elert & Associates Site Visits – We spent some time talking about the site assessments that were done a couple weeks ago. Cindy let the committee know that a report is ready to review today and she and Tim have set aside time to review the report.
2. WLHS – Pam brought forward a safety issue on the pavement at WLHS near the track service entrance. This is the area people drive in to drop off senior citizens or others that have difficulty walking. She supplied a photo of an area of the walkway that was removed for some reason and has not been re-poured, making it a possibly trip hazard. This walkway has a lot of traffic at games.
