- emergency operation plan for Three Rivers Charter School. Tim will meet with Nic Chapin, head master at Three Rivers, to review.
- District will help Three Rivers in compliance with the Healthy and Safe Schools act: lead, lead in water, radon, and IPM.
- District will not charge Three Rivers to incorporate them into our emergency operation plan. Adding them to the district plan will provide continuity as Three Rivers students transition to the high schools.
- Three Rivers will be included in an environmental safety plan starting SY19-20 July 1, 2019.
- Jeff Halverson will act as SRO.

#### 4.17.19

 Three Rivers S-EOP was approved and signed for on 4/10/19 by Nic Chapin. Go kit was reviewed and signed for. Six emergency safety guides were delivered, one for each classroom and one for the front desk. Three Rivers have formed their school safety leadership team (SSLT) consisting of the principal, two secretaries, and a teacher. They meet every week.

#### 5.15.19

- There was a Safety training for office staff of DO and DOC. The focus was on reunification. Reviewed the rolls for an offsite reunification. Training was well received.
- Aaron Downs will be taking on the position of interim Operations
  Director. In the EOP he has a specific roll and would also have an
  additional roll. Both rolls are a vital part of the EOP. The DSLT will
  meet to review Aaron's two rolls and decide if everyone should
  move up.
- Tim reported there will be security on site for the Wilsonville HS
  graduation ceremony at Rolling Hills Church. The District will let
  the church know what security group will be used. Only one
  uniformed armed officer would be needed. Officer Dolan has been
  asked to be present. Pat will work out the details and will report back
  on this.

#### 6.19.19

Nothing to report

#### 7.17.19:

- Hannah Chow will remain as record keeper for the S-EOP's and meet with principals in September 2019 to update the pages.
- Aaron Downs spoke with Rolling Hills about a nationwide initiative
  to increase safety and security at graduation. The safety/security
  relationship between Rolling Hills and the District has been positive
  but as the District grows, they are suggesting to improve security.
- Principals have been asked to review building plans.
- Hannah and Pat will connect about getting West Linn PD updated maps.

### 9.18.19:

- Ongoing.
  - Aaron requests feedback from SRO's. Jeff Halverson confirms the principals and staff are supportive and willing to implement the school safety plan.
- Pat will send Stephanie McCluskey maps and floorplans.
- Stephanie and Jeff H. will meet with staff at Three Rivers to discuss their safety plan.
- Pat sends a question to the DSLT: If the first lockdown drill is announced, can the second one be unannounced? Aaron is working with DSLT to make sure our drills are as realistic as possible i.e. active shooter training, unannounced lockdown drills, unannounced evacuations.
- Aaron identifies that the district is always readily available to attend
  drills and debrief with the principals. Jeff Chambers confirms that
  the teachers are improving every time they train for each drill. He

	suggests to continue training with purpose and identifying areas of		
	improvement.		
	<ul> <li>Aaron wonders if the principals and district staff are continuing to think about the worst case scenario and improving on our practices</li> </ul>		
	to debrief and find areas to improve on.		
	Aaron says when there are open campuses, especially at a high		
	school level, we have to practice drills when students are outside,		
	during lunch. Pat confirms the primary schools are practicing drills		
	during recess. Stephanie confirms Aaron's suggestion on practicing		
	"real life" situations.		
	Increasing awareness and importance of School Safety Leadership		
	Teams in each school to discuss "real life" emergencies. DSLT can		
	encourage these meetings within each building. Staci Ball offers help

	primary schools while community groups and after care are		
	constantly in and out of the building? Aaron proposes the aftercare providers should streamline their own arrival/dismissal processes		
	and create their own safety/security plan.		
	<ul> <li>Jeff Chambers says the conversation has continued because there is</li> </ul>		
	no way to enforce a safety policy after hours.		
	Jeremy Nichols asks who has legal responsibility of students after		
	hours. Aaron says the District works with groups to maintain		
	security in the building and make sure they are following the terms		
	and conditions set for facility use. Jeremy says the outside groups are		
	not held to the same safety standards after hours.		
	<ul> <li>Jeff says the same standards have not been set for school staff versus</li> </ul>		
	community groups using our facilities. Aaron suggests a folder to		
	hand out to substitute teachers and community groups with safety		
	guidelines. Kathe agrees and believes this is a good opportunity to train staff and community members on what safety precautions the		
	District takes to make sure everyone using the facilities are		
	following the same guidelines and educated on District security		
	processes.		
	<ul> <li>Jeff says the night custodians should be following the proper security</li> </ul>		
	procedures and acting as leaders to help community groups		
	understand those procedures while they are using the facilities.		
	Aaron suggests providing emergency contact numbers for aftercare		
	providers and community groups.		
	Staci Ball asks about keyless entry. Pat and Jeff are working on		
	keyless entry at Wilsonville High School and Rosemont for the bathrooms.

19.4-3	Parking Issue at West Linn High School 4.17.19:  Officer Halverson brought forward a parking issue at West Linn High School. Students are parking in a small area on Skyline that is next to the track. Pat said nonpermanent boulders or planters can't be placed there. Tim recommended partnering with the City of West Linn to find a solution that is unified and definite.  5.15.19:  Tim went up to WLHS to look at what is going on with the parking issue. There is room for seven cars, but not built for parking. Also not a good spot to back out from. He reported there is a plan around the next bond for additional parking and stadium improvements. Tim will be meeting with the City Engineer, Lance Calvert.  6.19.19:  Additional parking is included in the next bond.  7.17.19:  Aaron says concerns are being addressed and we will continue to work with the City of West Linn. Ongoing.  9.18.19:  Closed on November 6th. We hope.  Aaron says there a concern about the 16 year olds getting to school safely with all the parking issues. If bond passes, there are plan to extend parking at the high school.  Pat says parking spots at the high school exceed what is allowed. Once stadium is expanded, more parking will be added but not enough to accommodate what the community believes they need.  Aaron says larger events present a problem with parking and the community. Bylaws — 7.17.19:  Jeff Chambers discusses history of the safety committee and how it was formed. Staci Ball will continue as the teacher representative.  9.18.19:  Connecting the DSLT with the safety committee. Guest, Andrew Kilstrom, is attending to discuss new board policies. Aaron and Pat will create draft of bi-laws and create membership guidelines. Pat says Doug Nimrod, Pam Garza, and himself are part of the original safety committee.	Aaron Downs	
19.9-1	<ul> <li>Safety Guidelines Setting up for Events</li> <li>9.18.19:</li> <li>Staci Ball asks about standing on chairs, tables, and desks to hang things up. Pat says, according to teachers in certain buildings, it's a requirement to stand on chairs, tables, etc. Staci says teachers want safety guidelines on using ladders, especially during the district art show. If no guidelines, can they operations department help with set up. Pat says no and there are modules in safety training about ladder</li> </ul>
