| | Officer Al Bunch | West Linn HS SRO | | |
| | Jeff Chambers | OSEA Representative | | |

B. MINUTES REVIEW:

The minutes from all meetings are available on the website: <http://www.wlww.k12.or.us/Page/3135>

C. OUTSTANDING ACTION ITEMS:

| Item | Description | Responsible Party | Status (due by) |
|-------------|--|--------------------------|----------------------------|
| 12.9.03 | Crisis Management Plan booklet updates: (notes archived) 5-15-13: Tim and Cindy reported that the OSBA books will have another update before we can use them. They will add sections on lock in and lock out as well as intruder response. We are awaiting this update. 5-21-14: include dangerous intruder information. Include fire and earthquake safety. Paula wants to add a section on making a copy of the student's Data Verification Form whenever 911 is called as well as the | <i>Committee</i> | Fall 2014 |

| Item | Description | Responsible Party | Status (due by) |
|---------|--|---|-----------------|
| | <p>steps to take for bloodborne pathogens exposure.</p> <p>7-16-14: Tim updated the group on his findings for updating the Crisis Management Plan, including information from a Safety training he attended put on by COSA. OSBA let us know that they are not updating the booklet but have decided to adopt the “I Love You Guys” foundation’s protocol to move forward. It includes a reunification plan – which requires administrators to be trained. The next step would be to completely understand this protocol and then present it to the board for adoption. Then, practice should follow in schools. Communication with parents is important. Tim asked the law enforcement officers to attend the board meeting where the plan is presented for adoption. This could be September or October. Cindy will notify the committee. Tim will also include the importance of original architect classroom numbers in regard to safety.</p> <p>9-17-14: Pat thinks they are close to being done. Rooms will have architect classroom numbers finalized. Will do inside building then do outside.</p> | | |
| 13.03.2 | <p>District Safety and Health Plan – updated in 2006. Needs to be updated. Consider adding these sections: student safety, building security, flight teams, Hep B vaccinations. (notes archived)</p> <p>5-21-14: include dangerous intruder</p> <p>7-16-14: Tim will review this plan next week. He and Cindy will work on updates.</p> <p>9-17-14: Paula said Kathe will notify people as they are hired they can go to clinics for Hep B vaccinations. She described what the Flight Team does and the support they give.</p> | <i>Tim</i> | Fall 2014 |
| 13.11.2 | <p>Pat brought forward a concern about four classrooms in the two new schools where there appears to be no hiding place. They are the two behind the kitchen server areas both upstairs and downstairs. Pat wondered if blackout shades should be installed that could be pulled down when needed. Tim shared concern that when kids are in porches they could be seen from anywhere. Tim said we would solve this issue at both locations for these eight unique classrooms. Pat will install blinds. As we hear of unsafe situations, we will address them. (notes archived). May want to apply for safety grants.</p> <p>5-21-14: Pam is checking on suppliers and options for solving this safety issue.</p> <p>9-17-14: Pat needs to get 2 blinds at Trillium and 2 blinds at Lowrie. This needs to be done prior to the first drill.</p> | <i>Tim</i> | Summer 2014 |
| 13.11.3 | <p>Crosswalk issue at WLHS – Tim will work with a parent to solve the issue of people not stopping to allow people to cross safely. (notes archived)</p> <p>5-21/14: Tim reported that we are going through a process with the City of West Linn for this plan. A full report has been written and reviewed by the City. Design drawings have been created. Construction drawings have been prepared and are being reviewed. Bid will take place this summer.</p> <p>7-16-14 Design is completed. The City has approved the plan. We hope to have this work done before school starts.</p> <p>9-17-14 Pat stated almost complete.</p> | <i>Pat</i> | Summer 2014 |
| 14-4.3 | <p>Doug installing outside window room identifying stickers for emergency response. Cost approx. \$10,000.</p> <p>5-21-14: stickers were ordered and received. They began installation, but were asked to stop since interior room #'s did not match architect plans. This will increase the original expected cost.</p> | <i>Project On Hold pending architect numbers being put on all doors</i> | Ongoing |

| Item | Description | Responsible Party | Status (due by) |
|---------|---|-------------------|-----------------|
| | 7-16-14: This had to be put on hold due to school re-naming classrooms. We will work on applying permanent numbers based on the architect plans. When this is completed, we will number the outside. 9-17-14: Pat said pretty much the same as above. | | |
| 14-5.1b | Paula brought forward a concern about employees following the proper steps for a bloodborne pathogens exposure. It was decided that a safety moment will be created by Paula and Cindy and sent out quarterly to remind employees. Postponed until next school year. 9-17-14 Paula: Student bit IA, followed protocol. Paula will download process documents and give to principals and secretaries. Nothing about process in training. Pat said Cindy will send information out about process in Safety Moments. | <i>Cindy</i> | Sept 2014 |
| 14-6.2 | How we respond to reports of illness as far as cleaning routines came up as a topic. This will be tabled until September. 9-17-14 Pat said it was not possible to clean entire school unless school is closed down for a couple of days. Question, when are we triggered to actually clean entire school. Wiping down one classroom is a waste of time, need to do entire school - will take days. Three things must be done every day: restrooms cleaned, health rooms cleaned and kitchens cleaned. Paula: Sees health rooms that are not cleaned. Paula will talk to Clackamas County Department of Health . Has to be potential for epidemic before we clean school. | <i>Pat</i> | Sept 2014 |
| 14-6.3 | Lock in-Lock out drills need to be done by each school as required 9-17-14 Pat, Tim or Mark tries to be at one of the lock-in, lock-out drills at each school. We let officers know as we get dates from schools. Schools are required to do 2 per year. We are trying to establish language of lock-in, lock-out. We try to give principals guidance. We are trying to settle on language. Lock-in: some schools said building engineer will lock outside doors but this puts building engineer at risk and keeps police out, so this isn't right. Every school has done one lock-in drill, | <i>Pat</i> | Sept 2014 |
| 14-9.1 | Bolton pedestrian safety is being addressed. The plan needs to be approved by the City and this will not be done before school starts in the Fall. Tim will have a plan B to put in place at the start of school. 9-17-14: Pat said Almost complete, needs to put mailbox back | <i>Tim</i> | Sept 2014 |

NEW SAFETY COMMITTEE ISSUES:

New Safety issues:

1. Present the District Wide Safety Presentation

NEXT MEETING: December 17, 2014 – District Operations Center, 7:30 AM

Minutes were prepared by Cindy Hepting. Please submit in writing any corrections to West Linn-Wilsonville District Safety Committee prior to the next meeting date; otherwise the minutes will stand as reported. heptingc@wlwv.k12.or.us
