20.1-12	<p><b>Environmental Safety Concerns</b></p> <p><b>7.15.2020:</b></p> <ul style="list-style-type: none"> <li>• We have our board approved (and updated plan) with ODE, will be uploaded to our district website under 'environmental safety' with assistance from Communications Manager.</li> </ul> <p><b>8.19.2020:</b></p> <ul style="list-style-type: none"> <li>• Our HAZ plan has been approved by ODE, currently working on mapping the entire district for new signage. Also working on room numbers (addresses), once these are fully developed then we will get these to SROs.</li> </ul> <p><b>9.16.2020:</b></p> <ul style="list-style-type: none"> <li>• New round of radon testing in October, must be tested by January 2021. May need to delay to end of October due to smoke.</li> <li>• Jeremy has been working with Steve to update plan for three well water systems at Admin, Stafford, and Athey. Have a meeting with the county next week to go through the emergency plan. Those plans will be updated next week. Doing more water tests with Columbia that aren't due until the end of the year.</li> <li>• We have received communication from a few community members who are concerned about Legionnaires Disease which was reported on the East Coast. It is not something we normally test for unless notified by Clackamas County.</li> </ul> <p><b>10.21.2020:</b></p> <ul style="list-style-type: none"> <li>• Radon testing started this week at 4 locations. 3 more will be deployed at different locations next week. The January 1<sup>st</sup> 2021 deadline will be met.</li> <li>• Jeremy met with the county about the water systems. The emergency plans were updated and approved. Systems are in order.</li> </ul> <p><b>11.18.2020:</b></p> <ul style="list-style-type: none"> <li>• We have now completed all testing district wide for radon (met January 1, 2020 deadline). Most recent schools completed Athey Creek, Boones Ferry, Willamette, CREST, Three Rivers. Recently tested at Art Tech, Lowrie; upcoming retesting at Art Tech &amp; Lowrie due to parts of the building having high readings of radon. Want to confirm the findings before we take action.</li> <li>• Last week Stafford had their power shutdown which caused a water issue (lost water pressure), so we were mandated to do a water test. We delivered bottles of water to test and everything is well – Stafford back online.</li> </ul> <p><b>12.16.2020</b></p> <ul style="list-style-type: none"> <li>•</li> </ul>	<p><i>Pat McGough</i> <i>Jeff Chambers</i> <i>Jeremy Nichols</i></p>	Ongoing

20.1-11	<p><b>Before and After School Childcare</b></p> <p><b>7.15.2020:</b></p> <ul style="list-style-type: none"> <li>Dr. David Pryor, Pat, and Cindy met with Club K and Campfire about fall building use in coordination with schools.</li> </ul> <p><b>8.19.2020:</b></p> <ul style="list-style-type: none"> <li>Campfire Columbia will have an Essential Workers Emergency Childcare service operating out of Willamette Primary effective August 31<sup>st</sup>. This will host about (30) children. The childcare program is not to instruct students as teachers, but instead similar to parent/sibling support (logging into CDL program, assisting with supplies for projects, etc.)</li> </ul> <p><b>9.16.2020:</b></p> <ul style="list-style-type: none"> <li>Programs at both Boones Ferry and Willamette are underway. Both programs canceled last Thursday, Friday, and Monday due to air quality. They are both back in buildings today and appreciated the district partnership/communication through the unpredictable conditions.</li> </ul> <p><b>10.21.2020:</b></p> <ul style="list-style-type: none"> <li>Dr. David Pryor, Pat and Cindy will be meeting with childcare providers.</li> </ul> <p><b>11.18.2020:</b></p> <ul style="list-style-type: none"> <li>Cindy has been working with principals and childcare regarding spaces to be used once hybrid learning begins. Because of building safe cohorts and amount of school spaces available, childcare will only be available to students on their school days in the building. Meaning that if a student is in group A then they could have after school childcare on Mondays and Wednesdays after class adjourns in the building, but there would be no care at all for them on Tuesdays and Thursdays. Fridays will alternate.</li> <li>Recent positive case from one of the parents of the children who attends care; district is working with childcare program to ensure all are informed.</li> </ul> <p><b>12.16.2020</b></p> <ul style="list-style-type: none"> <li></li> </ul>	<p><i>Cindy Lindsley</i> <i>Dr. David Pryor</i></p>	<p><i>Ongoing</i></p>

20-4.3	<p><b>Personal Protection Equipment (PPE)</b></p> <p><b>7.15.2020:</b></p> <ul style="list-style-type: none"> <li>The district will be furnishing masks and the mask protection depending on the position. Nursing staff will be directing personally with potential cases and will be receiving hospital grade masks, gloves, gowns, etc. Disposable masks will be available onsite for any damaged masks. Gloves will also be available.</li> </ul> <p><b>8.19.2020:</b></p> <ul style="list-style-type: none"> <li>Mark and Jeff have been purchasing masks, gloves, sanitizer – continuing to monitor inventory as able. Gloves are going to be more challenging to get, so we are stocking up as best as able and look at other types of gloves.</li> <li>We have not received our safety shields yet, not as big of an urgent need with school not starting in buildings this week – but still would like to have some on hand.</li> </ul> <p><b>9.16.2020:</b></p> <ul style="list-style-type: none"> <li>We received equipment through FEMA (face masks, face shields, gloves). We also received face shields from our West Linn High School and Wilsonville High School robotics team. Will be available to staff that request them. We will not be purchasing the equipment</li> </ul>		

	<p>for the district nurses as we don't know the equipment that would be most helpful. Nursing teams will have conversation.</p> <p><b>10.21.2020:</b></p> <ul style="list-style-type: none"> <li>We are working with schools and the Nursing Department to get PPE equipment to schools. There are now enough Electrostatic sprayers for all schools.</li> </ul> <p><b>11.18.2020:</b></p> <ul style="list-style-type: none"> <li>We are continuing to deliver all PPE to buildings this week. Drops of hand sanitizer, gloves, plexi-glass shields, face shields, masks. Jeff has talked to all schools – additional orders are dubbed a 'work order'. Schools also have disinfectant, spray bottles, wipes, etc.</li> </ul> <p><b>12.16.2020</b></p> <ul style="list-style-type: none"> <li></li> </ul>
