

WEST LINN-WILSONVILLE SCHOOL DISTRICT DEPARTMENT OF OPERATIONS

2755 SW Borland Rd Tualatin, OR 97062 Phone: 503.673.7995 Fax: 503.638.9143

District Safety Committee Minutes

Wednesday, December 18, 2019; 7:30 AM, WLWSD @ District Operations Center

A. ATTENDEES:

Name	Location/Title	Present	Absent
Staci Ball	WLEA Representative	X	
Jeff Chambers	Maintenance Supervisor	X	
Hannah Chow	Community Services Manager	X	
Officer Stephanie McCluskey	Wilsonville HS, SRO	X	
Officer Jeff Halverson	West Linn HS, SRO	X	
Josh Harrel	District Nurse	X	
Mark Law	Custodial Supervisor	X	
Pat McGough	Facilities Manager	X	
Kathe Monroe	Director of Human Resources		X
Jeremy Nichols	OSEA Representative	X	
Aaron Downs, C	Assistant Superintendent & Director of Operations	X	

B. MINUTES REVIEW:

The minutes from all meetings are available on the website: <u>http://www.wlwv.k12.or.us/Page/10597</u>

C. EXISTING ACTION ITEMS:

Item	Description	Responsible Party	Status (due by)
19.1-11	 Emergency Operations Plan 1.16.19: Nothing to report. 2.20.19: Nothing to report. 3.20.19 Reviewed with nurses, reviewed and had training with CREST. Gokit was delivered at CREST on 3/20/19. We have completed an emergency operation plan for Three Rivers Charter School. Tim will meet with Nic Chapin, head master at Three Rivers, to review. 	District Safety Leadership Team	Ongoing

	• District will help Three Rivers in compliance with the Healthy and		
	Safe Schools act: lead, lead in water, radon, and IPM.		
	• District will not charge Three Rivers to incorporate them into our		
	emergency operation plan. Adding them to the district plan will		
	provide continuity as Three Rivers students transition to the high		
	schools.		
	• Three Rivers will be included in an environmental safety plan starting SY19-20 July 1, 2019.		
	 Jeff Halverson will act as SRO. 		
4 17	7.19		
	• Three Rivers S-EOP was approved and signed for on 4/10/19 by Nic		
	Chapin. Go kit was reviewed and signed for. Six emergency safety		
	guides were delivered, one for each classroom and one for the front		
	desk. Three Rivers have formed their school safety leadership team		
	(SSLT) consisting of the principal, two secretaries, and a teacher.		
	They meet every week.		
5.15	5.19		
	• There was a Safety training for office staff of DO and DOC. The		
	focus was on reunification. Reviewed the rolls for an offsite reunification. Training was well received.		
	 Aaron Downs will be taking on the position of interim Operations 		
	Director. In the EOP he has a specific roll and would also have an		
	additional roll. Both rolls are a vital part of the EOP. The DSLT will		
	meet to review Aaron's two rolls and decide if everyone should		
	move up.		
	• Tim reported there will be security on site for the Wilsonville HS		
	graduation ceremony at Rolling Hills Church. The District will let		
	the church know what security group will be used. Only one		
	uniformed armed officer would be needed. Officer Dolan has been asked to be present. Pat will work out the details and will report back		
	on this.		
6.19	9.19		
	Nothing to report		
7.17	7.19:		
	• Hannah Chow will remain as record keeper for the S-EOP's and		
	meet with principals in September 2019 to update the pages.		
	• Aaron Downs spoke with Rolling Hills about a nationwide initiative		
	to increase safety and security at graduation. The safety/security relationship between Rolling Hills and the District has been positive		
	but as the District grows, they are suggesting to improve security.		
	 Principals have been asked to review building plans. 		
	Hannah and Pat will connect about getting West Linn PD updated		
	maps.		
9.18	8.19:		
	• Ongoing.		
	Aaron requests feedback from SRO's. Jeff Halverson confirms the		
	principals and staff are supportive and willing to implement the school safety plan.		
	 Pat will send Stephanie McCluskey maps and floorplans. 		
	 Stephanie and Jeff H. will meet with staff at Three Rivers to discuss 		
	their safety plan.		
	• Pat sends a question to the DSLT: If the first lockdown drill is		
	announced, can the second one be unannounced? Aaron is working		
	with DSLT to make sure our drills are as realistic as possible i.e.		
	active shooter training, unannounced lockdown drills, unannounced		
	evacuations.		
	• Aaron identifies that the district is always readily available to attend		
	drills and debrief with the principals. Jeff Chambers confirms that the teachers are improving every time they train for each drill. He		
	the teachers are improving every time they train for each drill. He suggests to continue training with purpose and identifying areas of		
	improvement.		
		<u> </u>	

	• • • • • • • • • • • • • • • • • • •	First Responders Breakfast on Wednesday, October 9 was scheduled to review emergency plans and protocols. Table top exercises are helping to train and inform District staff. Two more meetings are scheduled for this school year. Jeff Chambers and Mark Law agree that it's beneficial and informative for all participants. Josh believes that different perspectives are helpful bringing the police department, TVF&R and school district together. Jeff Halverson will encourage other sergeants to attend. Hannah Chow is continuing to work on updates and record keeping for the 2019-20 school year and has met with most principals to review individual school plans. 9: Dr. Downs reports to the District Safety Leadership Team on discussions from safety committee meetings. Pat asks who provides a sample EOP to school districts requesting it. Hannah confirms that the request is sent to her and Dr. Downs and he decides with help from the DSLT. First Responders Breakfast went well on 10/9/19. Stephanie says the tabletop exercises are helpful when she meets with school principals. Josh says as the group get more diverse, they are discussing emergency operation solutions during tabletop exercises. Jeff H. confirms that the secretaries' involvement is helpful. Stephanie agrees that its helpful when other staff members are there, including First Student. Two more planned for the 2019-20 school year.		
	12.18.15	Pat says the District is still understanding roles and responsibilities		
		under operations for the incident command system and identifying roles from the District Safety Leadership Team. Aaron says the roles might be changing as District officials enter in and out of interim positions.		
		utes to Schools		
	1.16.19:	SRTS open house scheduled 1.29.19 at Trillium Creek for City of West Linn. Morgan Palmer with City of West Linn is helping facilitate. Public comment and input will be received at open house on 1.29.19. District will advertise through listserv.		
	2.20.19:			
19.1-11	•	Open house on 1.29.19 went well. Hannah is working with Morgan Palmer at the City of West Linn to develop an action plan for SRTS in West Linn. A work session with City Council is planned for March 4 th , 2019 at West Linn City Hall to discuss action plan.	Aaron Downs Hannah Chow	Ongoing
	3.20.19:			
	•	City of West Linn passed bond to improve streets for SRTS. Action plan has been developed with the help of the district. City is prioritizing street projects using maps provided from the district. After open house at Trillium Creek in January, City of West Linn will bring projects to city council and discuss where to start. City of Wilsonville has assigned Sheilagh as their SRTS spokesperson. They

	•	Roads are open in Wilsonville. Stephanie asks what to do when		
		children are missing school because older siblings are taking care of		
		the younger siblings. How do we navigate bus service for students		
		who are dealing with family neglect? Mark asks if there is county		
		assistance for these families. Aaron says we should find a solution		
		and First Student has regulations where they can't leave the bus		
		unattended to knock on a student's door. Aaron suggests to contact		
		Dr. Pryor if it's a primary level issue. Aaron says they have new type 10 vehicles where they can leave and assist with routes.		
	12.18.19			
	•	Stephanie politely declines crossing guard training at all schools but		
		is happy to help film a training video. Aaron asks if Sheilagh Griffin		
		and Stephanie can help train school employees in Wilsonville who		
		can train future crossing guards. Josh and Staci confirm that the		
		schools assign specific school employees for this role. Aaron asks if		
		all primary schools have crossing guards. Pat and Jeff confirm that		
		Cedaroak Park does not have crossing guards. Pat says they		
		primarily use crossing guards for buses. Aaron asks for Hannah to follow up with the City of Wilsonville and identify a "train the		
		trainer" model.		
	Drills			
	1.16.19:			
	•	Ongoing. Jeremy says announcements on radio are helpful.		
	2.20.19:			
	•	Staci Ball recommends ongoing training school staff about the		
		difference between lockdown and lockout. Pat says we adopted the lockout/lockdown language from I Love You Guys and making sure		
		we are keeping language consistent across the district. Jeff Chambers		
		says he speaks to school staff during debrief after each		
		lockdown/lockout drill to help them explain the difference. Kathe		
		Monroe will put emergency drills handout in each new hire packet.		
		Jeremy says he noticed many staff members at the first responders		
		breakfast who did not know the difference.		
	3.20.19:			
	•	Schools are still learning difference between lockout and lockdown.		
		Staci recommends adding colors as a distinguishable difference for drills. Hannah will send Kathe Monroe handout for new hire packets.		
	4.17.19:			
	•	Rosemont Ridge has had six incidents this year where the fire alarm		
		was triggered. Maintenance confirmed that it was a dusty smoke	Pat McGough	
19.1-12		detector.	Hannah Chow Jeff Chambers	Ongoing
	•	Pat reported a contractor will be hired during the summer to clean	Mark Law	
	5 15 10.	and replace, if needed, all the smoke detectors at Rosemont.		
	5.15.19:	TCPS has had two false alarms. It has been found there was a		
	•	program issue with the fire alarm. The fire alarm at BOLPS has a		
		relay issue. Curt is working on getting this fixed.		
	6.19.19:			
	•	Ongoing		
	7.17.19:			
	•	Jared is working at Rosemont to clean the fire heads. He shuts down		
		the system to work on them.		
	•	Jeff is excited to attend the lockdown drills and having conversations		
		with principals about timing and safety improvements. These conversations will continue Tim's mission to increase safety		
		practices. Staci Ball asks about appropriate rooms to contain students		
		during the drills. Jeff recommends classrooms and to avoid the		
		kitchen, commons, and offices. He says to be observant and look for		
		students in the hall before locking the room. Aaron says the		
		conversation has changed for those who are not working in specific		
		rooms but moving throughout the building. If you are in the halls,		

·		1	
	where do students and teachers go? He says it's helpful to have		
9.18.19:	District officials attend the drills and continue the conversation.		
	Mark suggests featuring district attention on new mineipals and		
	Mark suggests focusing district attention on new principals and		
10.16.19	trainings.		
	• Mark Law and Jeff Halverson agree that the drills are improving.		
	Mark praises Trillium Creek staff for the lockdown drill on Tuesday,		
	October 15. He said it was one of the best drills the District has seen.		
	Pat says staff take it seriously if law enforcement is present.		
	Pat says last summer they placed a wrestling mat in the gym. This		
	presents a problem for earthquake drills. Students are lining up		
	against the wall with the most support but the mat is interfering with		
	their drill protocols.		
	SRO's met with Three Rivers Charter School on October 15, 2019 to		
	discuss their emergency operations plan.		
	Aaron says the SRO's spent a lot of time over the summer getting		
	law enforcement to work with the schools, understanding site floor		
	plans, and reviewing emergency operation plans.		
	Aaron says principals have been asked what to do if parents and		
	students are outside. Do you bring them inside during a lockout?		
	This topic will be brought to the DSLT. Pat and Josh say school staff		
	have asked similar questions specifically about keys and being able		
	to enter with their key during a lockout. Staci says school staff has		
	recommended to have drills while students and staff are outside. Pat		
	says it's up to the principal.		
	Aaron says the DSLT are discussing unplanned drills and not to		
	preplan the drill but have the teachers experience more "real life"		
	situations and unexpected practice times i.e. lunchtime, breaks, etc.		
	There is no plan to hold random drills. Jeff Halverson says principals		
	should bring up "real life" scenarios with their staff. Thinking about		
	what to do beforehand and discussing possible events. Jeff said Kate		
	Donegan at Trillium told her staff the drill will be sometime this		
	week but not the specific time. Pat says he keeps getting questions		
	about putting locks on certain doors that are not designed for locks.		
	Pat encourages staff not to hide in certain rooms/spaces in the school		
	that do not have locks on the doors.		
	Staci said she was at Trillium during the lockdown drill and a		
	student was worried about law enforcement being able to see them.		
	In a real event, will intruders be able to see them? Staci says the door		
	opened and they were not able to see where her and the student		
	hiding. Pat says they need to hide in rooms with locks. Aaron says		
	during drills to pretend that you were walking in the hall and move		
	to the closest space, preferably in a locked room. Aaron says Elert & Associates recommend certain rooms for hiding and the District		
	needs to practice drills according to their recommendations. Staci says the staff at Trillium is identifying which spaces are appropriate		
	to hide. Jeff Halverson says law enforcement will check all the		
	rooms and for unlocked spaces, if teachers and students are hiding		
	and surprise law enforcement is not the best practice for drills.		
	Staci says it's a two-part concern, places to hide for drills and		
	confidential student files not being accessed.		
	Fire drill at West Linn High. Staci says teachers claim the September		
	fire drill at West Linn High did not go very well. There's a		
	congested computer room they were evacuated through. Greg		
	reached out to Pat about that specific corridor. Pat says it's an exit		
	corridor that has to remain clear and they need to find another space		
	to store old technology equipment. Jeremy says there used to be		
	more space but when the renovation occurred, the room got smaller		
	and the equipment keeps piling up. Pat has informed the school and		
	IT.		

	• Jeff C. says in the last couple of weeks there has been a lot of cancellations. He says it's critical that District officials are there to debrief with the principal after the lockdown/lockout drill. Scheduling and communications efforts need to be made. Aaron says		
	sometimes there are occurrences in the building where a drill needs to be postponed. Flexibility is important but consistency is also critical to make sure District staff is available. Josh says the school		
	get busy but rescheduling a drill because they are busy is not a good excuse.Mark says the shooting that occurred in Wilsonville on Friday,		
	November 15 was hard to navigate because they could not figure out who decided to go into lockdown or lockout. Pat says Wilsonville High went into lockout in the morning. Jeff H. spoke to Andrew		
	Kilstrom about communication efforts internally and externally. Stephanie confirms that law enforcement in both cities will communicate on what actions should take place during real		
	emergency events and SRO's can direct District staff. Aaron and Pat agree that it helped working with law enforcement and specifically Police Chief, Rob Wurpes. Aaron will meet with the SRO's and		
	discuss an emergency plan for real life events. Aaron says during 911 calls the District office needs to speak to school office staff to decide how to move forward. Stephanie believes there would be		
	value in providing a District map to deputies. 12.18.19:		
	 Pat says when District employees attended the lockdown drill on 12/17/19 at Wilsonville high school, they were able to see many students and staff through the glass and he recommends to install 		
	window coverings as part of the safety and security budget in the bond.Josh says when Inza Wood has drills you cannot hear the intercom in		
	 Jeff Halverson says there's some improvement at the schools identifying between lockdown/lockout drills but still many areas for improvement especially with new staff members. He recommends to send the link for the lockdown/lockout video to all staff members. Staci Ball recommends to include it in annual trainings. Stephanie says to put drill information around the school so students and staff will have a visual of what the standard response protocols are. Jeff Chambers agrees that staff should be reminded of standard response protocols during school safety meetings. Staci says privacy curtains are the main topic for safety meetings at Trillium, Lowrie, and schools with a lot of windows/glass. Stephanie says we need to remind school staff on what the ultimate goal of lockdown/lockout trainings. Mark Law says when district staff attends drills there are schools that run their drills seamlessly and others with areas for improvement. Pat says certain school staff on how to improve during drills to include building privacy and sound restrictions. Jeff H. says to keep lockdown/lockout training simple for school staff. Aaron says is easier to track primary and middle school student's 		
	locations and lockout/lockdown trainings should be different for the high school since there's more freedom for the students to come and go. Jeff C. says there's not enough practice.		
19.2-10	 2.20.19: Pat says area of refuge signs have been posted. Jeff and Zac are finalizing sign placement and maps, districtwide. 3.20.19: 	Pat McGough	Ongoing

	• Doug and Zach have identified areas of refuge for all two story schools. Maps have been sent to Andrew. Maps will be sent to SRO's. Andrew will send out earthquake memo.		
	4.17.19:		
	• Andrew sent earthquake memo on 3/27/19 to all secretaries and		
	principals with attached areas of refuge.		
	5.15.19:		
	• WLHS has met definition for area of refuge and not all two story schools have met this definition. TVF&R has reported there are requirements for the phrase/wording for area of refuge. Can wording be added to maps for first responders. Insurance provider could		
	assist with correct wording.		
	 Jennifer Spencer Iiams will give notice of inclusive practices. The DSLT will sort and correct this in all ways. 		
	6.19.19:		
	 DSLT is still working on guidelines for students using wheelchairs. Areas of refuge have been identified and signs are placed. 		
	7.17.19:		
	• Ongoing. Student Services are testing wheel chairs. Aaron will follow up. Jeff says they ordered a stair lift and will continue testing at each school.		
	9.18.19:		
	Ongoing.		
	10.16.19:		
	 Pat says evacuation chairs have been mounted at schools with a second story. The chairs are causing damage to the stairwells. There are strict regulations on the repairs of each stairwell. Pat is 		
	wondering how the training practices are going to work since damage is being caused and will take finances to repair. Pat recommends bringing this topic to Jennifer Spencer-Iiams. Doug wonders if the manufacturer has a solution and Pat confirms they said the damage is inevitable. Aaron says they all have been tested.		
	Jennifer and her team will find specifics at each school.		
	11.20.19:		
	• Pat saw chairs in use at Meridian Creek. They went outside and practiced on concrete stairs. He instructed the school to practice on		
	indoor chairs and if damage is inevitable, they will make appropriate repairs. Pat says the chair operates differently on outside stairs. Schools should practice on stairs inside.		
	12.18.19:		
	• Closed.		
	Environmental Safety Concerns		
	3.20.19:		
	• Staci confirms no more asbestos questions have come up.		
	4.17.19:		
	• Tim and Pat went to The Healthy and Safe Schools Plan meeting. The district if fully compliant and will submit the plan by June.		
	• Pat reported there is a new routine for IPM testing. New buildings		
10.2.0	must be tested before they are occupied.	Pat McGough	o .
19.3-9	• Pat will be working with Three Rivers for IPM, radon and water testing and record keeping. He will coordinate with them on sending letter to parents.	Jeff Chambers	Ongoing
	5.15.19:		
	• Once the charter has been renewed at Three Rivers Pat will move forward with integrating the management of safety and security.		
	6.19.19:		
	• Healthy and Safe Schools plan is complete. 7.17.19:		

	• Aaron says the Healthy and Safe Schools plan was presented to the school board on July 12 th . The state has not responded. Pat will		
	update next time. 9.18.19:		
	Nothing to report.		
	10.16.19:		
	• Pat says revisions are underway for the HASS plan. Aaron needs to		
	sign. The state requests for the District to balance out testing		
	schedules. Jeremy is working on it with Pat. Tim is still listed as the AHERA "competent" person. Pat says he will contact PBS.		
	 Staci Ball says there are black coach horse beetles in classrooms 		
	biting students at Rosemont Ridge. Staci will speak to Debi.		
	11.20.19:		
	• Aaron and Pat will be presenting a HASS and IPM plan on 1/13 to the school board. Stephanie says she is receiving a lot of complaints		
	about vaping in bathrooms and students with asthma are have health		
	concerns. Stephanie recommends the District adding sensors in the		
	bathrooms. Josh confirms that the sensors would help. There are discussions around students blocking sensors and although it's a		
	legitimate health concern, the District will need to coordinate with		
	other school districts on if it's an effective solution. Josh says it's		
	important to educate parents on these issues and provide visual		
	assistance.		
	12.18.19:Jeff C. says he researched installing sensors in the bathrooms and		
	maintenance staff are hopeful to find the right product. Aaron says		
	the District is trying to understand how effective the sensors are in		
	each building. Will students hide supplies that are making the		
	sensors go off. Aaron says the District should discuss the peer		
	pressure element of vaping and how to improve practices around		
	educating students to stop vaping. Aaron says the tricky part is finding evidence to support how much students are vaping. There's a		
	decrease in how many products are being purchased. Jeff H. and		
	Stephanie believe a parent education night in January 2020 might be		
	beneficial. Stephanie and Josh believes educating parents on human		
	trafficking and online exploitations of students will be beneficial for		
	suicide prevention and awareness too. Jeff H. recommends checking		
	with PTA groups to see if they are already doing parent education nights on these topics.		
	 Pat says there's an indoor air quality test currently taking place at 		
	Stafford.		
	Long Range - Bond Planning:		
	4.17.19:		
	Nothing to report.		
	5.15.19:		
	• Abatement and lead paint removal will take place at COPPS and		
	BOLPS this summer. District will use a licensed contractor to		
	complete the process. BCPS will be getting a modular building.		
	• Tim reported there are several safety projects that will be included in the next bond. In addition to new schools, new technology will be		
19.4-7	added. New and secure entries for all schools to include safety glass	Tim Woodley	Ongoing
	and shelter locks. Security curtains will also be added.	Aaron Downs	
	Pat has been working with Jim Mangan around window tinting on		
	the south side of TCPS.		
	6.19.19:		
	• At the August 5th school board meeting, the board will decide to place the bond in the November elections.		
	7.17.19:		
	Ongoing. The District is working with a consultant on a packaged		
	plan to present. They provide a survey with results.		
Di	strict Safety Committee Meeting Meeting No. 19-12	Page No:	9
		-	

	9.18.19:		
	Nothing to report.		
	10.16.19:		
	• Bond proposition is on the November ballot. Signs are up and information from the communications department have been distributed to schools. Staci says WWEA is having teachers go out and canvas neighborhoods, both after school and on the weekends in both cities. Aaron says administration is knocking on doors on		
	Sundays.		
	11.20.19:		
	 Aaron says now that the bond has passed with over forty percent voter turnout. Bond passed at sixty percent and levy passed at over seventy percent. We will discuss the safety and security upgrades and technology upgrades throughout the District. Josh says that as schools are being upgraded, the project managers should be aware of office placement, health room placement, and where to work while the site is under construction. Pat says it's important to bring this concern up after the architect and project management team has been created. Josh says it's important to evaluate needs in the elementary and middle school health rooms before construction begins. 12.18.19: 		
	• Staci inquires about the accuracy of floorplans and signage for room numbers. Pat says the number at the top of the door is the correct		
	room number and matches the floorplans.		
	Crossing Guards at Primary Schools: 3.20.19:		
	 Crossing guards at primary schools: crossing guards at Wilsonville Road at the Boeckman Creek entrance. Tim and Lindy Sproul were wondering about training for crossing guards. The traffic lights dictate the intersection. What happens when pedestrian indicators are delayed? Ask other districts how many schools use a crossing guard and if they train them first. How many of our schools? WILPS, BCPS, BFPS. Jeff says flaggers are trained before they are put on the street. What equipment should be issued for crossing guards? Hannah will research and send details to safety committee. Pat says its covered under SRTS. 4.17.19: Community Services reached out to neighboring school districts asking what crossing guard training they provide. Most of them have crossing guard training under their Safe Routes to School program. 		
19.3-8	 We spoke with Sandy van Baggen, Senior Trainer and Safety Consultant with Portland Public and she said they provide training with a mix of students and adults. PPS Security Services Department oversees this operation and work with the police department to train volunteers. The police department web page includes a document for parental consent and a traffic patrol pledge. We spoke to Jeff Halverson on 4/11/19 asking if WLPD does something similar or has a traffic safety program and he said no. We spoke to Zachary Horowitz, Multimodal Transportation Engineer at ODOT on 4/11/19 and he agreed to act as a consultant to the school district helping us build our program. We have a meeting scheduled with him at ODOT on 4/26/19 to secure the program details. We spoke with Sheilagh Griffin, Transportation Demand Management Technician at SMART bus company. Sheilagh's position is a two year grant funded position and part of the grant requirements include her partnering with schools in Wilsonville and the school district to educate students on traffic safety. Sheilagh has 	Hannah Chow	Ongoing
	 agreed to be a trainer and facilitator in our crossing guard training program. Tim will meet with David Pryor and Sheilagh. 5.15.19: 		

	• Looking into Crossing Guard training for IA's.		
	6.19.19:		
	• Waiting on SMART bus company grant.		
	7.17.19:		
	• Ongoing. 9.18.19:		
	 According to Pat, the city has no plans to put blinking lights on 		
	crosswalks but will add audibles. Pat recommends for Stephanie to		
	connect with Dominique at the city.		
	 SMART did not get approved for funding for crossing guard 		
	training. The school district will need to provide their own funding		
	and trainer.		
	• First Student created a video with friendly reminders on traffic		
	safety.		
	10.16.19:		
	Hannah Chow is working with Sheilagh Griffin and Andrew		
	Kilstrom to film a training video. Sheilagh will train crossing guards		
	at the schools in Wilsonville. Jeff Halverson and Stephanie		
	McCluskey can help with the filming. Hannah will order vests, signs		
	and equipment.		
	11.20.19:		
	• SRO's will help in the training efforts along with Sheilagh and		
	Hannah. A crossing guard supplies inventory list has been created		
	Ongoing. Hannah and Sheilagh will go to primary schools to observe		
	arrival and release time and what process the current crossing guards are using.		
	12.18.19:		
	 Ongoing. See "safe routes to school" discussion. 		
	ongoing. See sure routes to senoor discussion.		
	Before and After School Childcare:		
	3.20.19:

	 Kathe Monroe will place information in new hire packets and 		
	provide the same materials for classrooms so substitute teachers		
	have training materials available.		
	7.17.19:		
	• Kathe Monroe says the handouts are being provided to all substitutes		
	and employees. Additional safety procedures will be added to annual		
	trainings. She says multiple phone calls are received in HR every		
	year about safety protocols.		
	9.18.19:		
	• Barb, David, and Aaron have advised all schools to create safety		
	folders for substitutes. Feedback has been positive from the		
	principals with assurance that the will provide the right material for		
	subs. Aaron says the high schools have a lot of questions about		
	training subs and safety protocols.		
	10.16.19:		
	Ongoing.		
	11.20.19:		
	• Floor plans can be laminated and handed to substitute teachers in		
	their daily folder.		
	12.18.19:		
	• Closed.		
	Parking Issue at West Linn High School		
	4.17.19:		
	• Officer Halverson brought forward a parking issue at West Linn		
	High School. Students are parking in a small area on Skyline that is		
	next to the track. Pat said nonpermanent boulders or planters can't be		
	placed there. Tim recommended partnering with the City of West		
	Linn to find a solution that is unified and definite.		
	5.15.19:		
	• Tim went up to WLHS to look at what is going on with the parking		
	issue. There is room for seven cars, but not built for parking. Also		
	not a good spot to back out from. He reported there is a plan around		
	the next bond for additional parking and stadium improvements. Tim		
	will be meeting with the City Engineer, Lance Calvert.		
	6.19.19:		
	• Additional parking is included in the next bond. 7.17.19 :		
	• Aaron says concerns are being addressed and we will continue to	Pat McGough	
19.4-8	work with the City of West Linn. Ongoing.	Aaron Downs	Ongoing
	9.18.19:	nui on Donnis	
	• Closed on November 6 th . We hope.		
	• Aaron says there a concern about the 16 year olds getting to school		
	safely with all the parking issues. If bond passes, there are plan to		
	extend parking at the high school.		
	• Pat says parking spots at the high school exceed what is allowed.		
	Once stadium is expanded, more parking will be added but not		
	enough to accommodate what the community believes they need.		
	 Aaron says larger events present a problem with parking and the 		
	community.

	Safety Committee Membership	
19.6-6	 6.19.19: Originally there were two slots for Certified, 2 for Classified, 1 for the Office of the School Nurse, Facility Manager, Custodial Supervisor, HR Director and Operations Director. Over time we have added Maintenance Supervisor, one more Classified and 2 SRO's. In any case, the Community Services Manager is the secretary/record-keeper to the committee. Bylaws – 7.17.19: Jeff Chambers discusses history of the safety committee and how it was formed. Staci Ball will continue as the teacher representative. 9.18.19: Connecting the DSLT with the safety committee. Guest, Andrew Kilstrom, is attending to discuss new board policies. Aaron and Pat will create draft of bi-laws and create membership guidelines. Pat says Doug Nimrod, Pam Garza, and himself are part of the original safety committee. 10.16.19: Aaron is creating a draft of by-laws. 11.20.19: Aaron passes out draft of bylaws. In accordance with Oregon State Law and WLWV School District policy EB, the district safety committee will meet once a month with the following standing members: Director of Operations, Facilities Manager, Maintenance Supervisor, Custodial Supervisor, School Resource Officers. In addition, the following rotating members will attend: WWEA-Primary, WWEA-Secondary, WWEA-Nursing, OSEA-Secretarial, OSEA-Custodial, and OSEA-Maintenance. Pat and Staci say it's important not to interfere with daily instructional schedules at the schools. The District includes maintenance and custodial staff because it does not impact their schedules as much as the teachers in the schools. Aaron says it's a delicate balance between finding the right members and those who have flexibility with their schedules so we don't have to find substitutes. Josh and Staci discuss designating officials from WWEA. Pat says in the past WWEA asked for volunteers and no one stepped forward. Looking for safety committee members from OSEA and WLEA. Dis	Aaron Downs
	Safety Security and Technology Ungrades:	
19.11-1	 Safety, Security, and Technology Upgrades: 11.20.19: Now that the bond has passed with over forty percent voter turnout, passing at sixty percent and levy passing at over seventy percent, we will discuss the safety and security upgrades and technology upgrades throughout the District. 12.18.19: 	
	Ongoing.	
<u>L</u>	- 0160116.	

NEW SAFETY COMMITTEE ISSUES/DISCUSSION:

- 1. West Linn High fire alarm. Pat says a principal requested an investigation on fire alarm volume. They discovered the alarm is 110 dba. 140 is a jet engine. 135 is rock band. The fire alarm vendor was contacted to make sure the school district is in compliance. Students and staff can be exposed to110 dba for an hour. The school district is in compliance with state safety standards. Closed.
- 2. Tim Woodley says the DSLT attended a safety meeting on 12/17/19 hosted by Clackamas County. They discussed Oregon Tip Line. The student investment account has several sections dedicated to safety and security. They are using some of the budget for safety education but are continuing to plan for future forums where they can discuss homeless and foster students. During the meeting there was a discussion about Estacada doing a reunification drill that was successful and the WLWV school district is planning a future drill.
- 3. Stephanie compliments the school district on helping students report abuse at home.

NEXT MEETING: January 15, 2020 – DOC Conference Room, 7:30 AM

Minutes were prepared by Hannah Chow. Please submit in writing any corrections to West Linn-Wilsonville District Safety Committee prior to the next meeting date; otherwise the minutes will stand as reported. <u>chowh@wlwv.k12.or.us</u>
