16-6.2	1. Radon Testing will be done by 2021 in every space that can be occupied. 7.20.16: <ul style="list-style-type: none">Pat reported that Radon Testing plans and protocols have been developed and approved by Oregon Health Authority (OHA). 9.21.16: <ul style="list-style-type: none">Plan completed and used as model by other districts. 10.19.16: <ul style="list-style-type: none">Compliant in time, we have until 2021 to test the entire district and scheduling needs to be completed (testing Oct-March) 11.16.16:	<i>Pat McGough</i>	Ongoing

	<ul style="list-style-type: none"> Testing in all district buildings required (starting 2017). Testing must occur from October – March, Monday – Thursday so the school is in full occupancy. Will conduct about 5 locations annually including two new schools for 2017 so they pass prior to opening. <p>12.21.16:</p> <ul style="list-style-type: none"> Create master schedule/roster for both radon and water testing at a set of a fifth of the schools annually in 2017/2018 <p>2.15.17:</p> <ul style="list-style-type: none"> Jeff and Pat enrolled in a state certified class that focuses on radon, will be state certified as Radon Test Agents (to take place in May). <p>5.17.17:</p> <ul style="list-style-type: none"> Pat and Jeff both passed their tests/classes are now licensed Radon Certified Testers. <p>6.21.17:</p> <ul style="list-style-type: none"> Will begin testing this fall. <p>9.20.17</p> <ul style="list-style-type: none"> Certification in process and will be getting quotes for test kits (at a cost per kit). <p>10.18.17</p> <ul style="list-style-type: none"> We have our certification and quotes for approximately \$20 per kit – checking to see if we can get a reduced rate. <p>11.15.17:</p> <ul style="list-style-type: none"> Still looking into this but Jeff checking into rates that vary in \$10-\$12 per kit. Jeff will be getting an update from Radon Tests Corp of America, \$7-\$8 might be workable. There may be statewide pricing for unit kits, but need to make sure that these are going to be compliant for our testing. Most districts contract this work out to companies like PBS (consulting, testing, reporting), but we have two qualified testers. When we start testing, Pat plans to meet with principals and staff to explain the testing. Signs will need to be put out, Communications Director will need to be a part of the conversation. Pat will start connecting with him about when the testing dates get close. <p>12.20.17:</p> <ul style="list-style-type: none"> 		
16-7.1	<p>2. Bond Construction Updates</p> <p>3.15.17:</p> <ul style="list-style-type: none"> Two schools that will have new shelter door locks (MCMS & SUPS) –first in Oregon to implement this at a school. In design for the perimeter fencing around COPS scheduled for April 1st; Wilsonville entry in design as well. Getting through permitting process for both. <p>5.17.17</p> <ul style="list-style-type: none"> Busiest construction time of year in terms of projects – it will impact most schools. Safety for the public will be a primary focus to direct people away from the construction sites. We have re-enforced closures and signage to communicate with patrons. <p>6.21.17</p> <ul style="list-style-type: none"> Once MCMS and SUPS open, we will invite West Linn and Wilsonville Police to get familiarity with the schools and their new features. Floorplan will also be provided to local law enforcement. Every building is numbered with permanent numbers both indoors and outside the window. These two new schools will enforce entrance through the front office (front office banks will be locked during the school day). Boeckman and Bolton are up for discussion for summer 2018. <p>9.20.17</p>	Pat McGough	Ongoing

Possibility that Meridian Creek may still need a mailbox that's streetside. Design is starting up at Boeckman Creek and Bolton which will have controlled entry. 12.20.17: <ul style="list-style-type: none"> 		
17-5.2A	3. District Safety Website 5.17.17: <ul style="list-style-type: none"> Curt Nelson will be having the IT Specialists working on a District Safety Webpage for student/staff safety and security over the summer. 6.21.17: <ul style="list-style-type: none"> This will start this summer varying from inclement weather, IPM, radon, bus safety, etc... 9.20.17 <ul style="list-style-type: none"> Not live yet, limited access which is getting updated by IT 10.18.17: <ul style="list-style-type: none"> OCR Complaint for ADA Compliance – text coding for a website to read itself outloud (for visually impaired). Website will slowly undergo a change that will meet compliance. Right now, district safety information is all conveyed via PDF files which are not compliant. Continuing to work towards comprehensive and compliant, but this might take more time now with the adjustments required. EOP (Emergency Operations Plan) is being worked on by the District Safety Leadership Team so that it's unique and specific to the district. Compatible with FEMA's protocols and language; follows practices of 'I Love U, Guys' Foundation. 11.15.17: <ul style="list-style-type: none"> Josh has two-week Nurses meeting today with Jennifer Spencer-Iams with regards to the Emergency Operations Plan. Weekly meetings are still occurring with the District Safety Leadership team to continue working on the EOP. 12.20.17: <ul style="list-style-type: none"> 	Curt Nelson	Ongoing

Jason Dolan is going to send over information about the Exclusion Program – anyone can sign up for this and it's a database of all addresses that allows the district to agree to statements such as 'as a district, we agree to forbid practices such as camping, doing business, 	Jason Dolan Jeff Halverson Tim Woodley District Safety Leadership Team	Ongoing

Should it happen again, law enforcement would act as necessary with primary authority.</p> <p>7.19.17</p> <ul style="list-style-type: none"> West Linn will need to initiate this process, Officer Dolan to move forward Wilsonville <p>9.20.17</p> <ul style="list-style-type: none"> Officer Dolan to send to Tim Woodley and Officer Halverson to move forward West Linn. <p>10.18.17</p> <ul style="list-style-type: none"> Officer Dolan provided the Clackamas County Sheriff's Office Exclusion-Trespass Procedure Manual for the District Safety Committee to review (for Wilsonville + Athey Creek, Stafford, District Office, Department of Operations). District Safety Committee moved to advance the manual to the District Safety Leadership Team for review. Officer Halverson is working on the West Linn schools. Likely that another meeting with local law enforcement/leaders might happen in the late fall. <p>11.15.17:</p> <ul style="list-style-type: none"> Tim took this to the District Safety Leadership Team, which then brought more comments from the superintendent world to work with students in schools (had a little different view on it). It was recommended that legal be talked with. Legal looked through it, and connected with district leadership members. He cited a bunch of ORS citations that actually provide a path for the district to respond to everything without the exclusion packet entirely. Neither legal nor the superintendent's office feels that we should sign up for this. Legal gave Pat some feedback about a new ORS that allows us to be able to take some action (such as move a car that obstructs operation). Perhaps we should identify a towing company and determine under what circumstances we would call and ask that they remove a car...reach an agreement. Pat has one in mind that we can meet with. <p>12.20.17:</p> <ul style="list-style-type: none"> 	Pat McGough

West Linn High School SRO Office room number also needs to be correctly identified. <p>11.15.17:</p> <ul style="list-style-type: none"> Work orders were created and we just need to order the signage <p>12.20.17:</p> <ul style="list-style-type: none"> 		
17.11.2	<p>7. Keys for Substitutes</p> <p>11.15.17</p> <ul style="list-style-type: none"> Do we issue keys to substitute teachers? At Meridian Creek and Sunset we do, but should this be implemented at other schools as well? 		
17.11.3	<p>8. Shelter lock software at both Meridian Creek and Sunset</p> <p>11.15.17</p> <ul style="list-style-type: none"> Meridian Creek and Sunset will both be scheduled for their first official lockout/lockdown drills by winter break. Cindy to email date/time when these are set. Shelter lock software initiated or not? <p>12.20.17</p> <ul style="list-style-type: none"> 		

NEW SAFETY COMMITTEE ISSUES/DISCUSSION:
