District Safety Committee Agenda

Wednesday, December 20, 2017; 7:30 AM, WLWSD @ District Operations Center

A. ATTENDEES:

Name	Location/Title	Present	Absent
Jeff Chambers	Maintenance Supervisor	X	
Cindy Crowder	Program Coordinator	X	
Officer Jason Dolan	Wilsonville HS, SRO		X
Pam Garza	OSEA Representative		X
Officer Jeff Halverson	West Linn HS, SRO		X
Josh Harrel	District Nurse		X
Mark Law	Custodial Supervisor		X
Pat McGough	Facilities Manager	X	
Kathe Monroe	Director of Human Resources		X
Doug Nimrod, VC	OSEA Representative	X	
Tim Woodley, C	Director of Operations	X	

B. MINUTES REVIEW:

The minutes from all meetings are available on the website: <http://www.wlww.k12.or.us/Page/10597>

C. EXISTING ACTION ITEMS:

Item	Description	Responsible Party	Status (due by)
16-6.2	<p>1. Radon Testing will be done by 2021 in every space that can be occupied.</p> <p>7.20.16:</p> <ul style="list-style-type: none"> Pat reported that Radon Testing plans and protocols have been developed and approved by Oregon Health Authority (OHA). <p>9.21.16:</p> <ul style="list-style-type: none"> Plan completed and used as model by other districts. <p>10.19.16:</p> <ul style="list-style-type: none"> Compliant in time, we have until 2021 to test the entire district and scheduling needs to be completed (testing Oct-March) <p>11.16.16:</p>	<i>Pat McGough</i>	Ongoing

Item	Description	Responsible Party	Status (due by)
	<ul style="list-style-type: none"> • Testing in all district buildings required (starting 2017). Testing must occur from October – March, Monday – Thursday so the school is in full occupancy. Will conduct about 5 locations annually including two new schools for 2017 so they pass prior to opening. <p>12.21.16:</p> <ul style="list-style-type: none"> • Create master schedule/roster for both radon and water testing at a set of a fifth of the schools annually in 2017/2018 <p>2.15.17:</p> <ul style="list-style-type: none"> • Jeff and Pat enrolled in a state certified class that focuses on radon, will be state certified as Radon Test Agents (to take place in May). <p>5.17.17:</p> <ul style="list-style-type: none"> • Pat and Jeff both passed their tests/classes are now licensed Radon Certified Testers. <p>6.21.17:</p> <ul style="list-style-type: none"> • Will begin testing this fall. <p>9.20.17</p> <ul style="list-style-type: none"> • Certification in process and will be getting quotes for test kits (at a cost per kit). <p>10.18.17</p> <ul style="list-style-type: none"> • We have our certification and quotes for approximately \$20 per kit – checking to see if we can get a reduced rate. <p>11.15.17:</p> <ul style="list-style-type: none"> • Still looking into this but Jeff checking into rates that vary in \$10-\$12 per kit. Jeff will be getting an update from Radon Tests Corp of America, \$7-\$8 might be workable. There may be statewide pricing for unit kits, but need to make sure that these are going to be compliant for our testing. Most districts contract this work out to companies like PBS (consulting, testing, reporting), but we have two qualified testers. • When we start testing, Pat plans to meet with principals and staff to explain the testing. • Signs will need to be put out, Communications Director will need to be a part of the conversation. Pat will start connecting with him about when the testing dates get close. <p>12.20.17:</p> <ul style="list-style-type: none"> • Maps are developed and log sheets are created. We now have an account so we can place an order at the first of the year and begin testing in late January. Schools that will be tested this year are Meridian Creek Middle School, Sunset Primary School, Cedaroak Park Primary School, and Stafford Primary School. 		
16-7.1	<p>2. Bond Construction Updates</p> <p>3.15.17:</p> <ul style="list-style-type: none"> • Two schools that will have new shelter door locks (MCMS & SUPS) –first in Oregon to implement this at a school. • In design for the perimeter fencing around COPS scheduled for April 1st; Wilsonville entry in design as well. Getting through permitting process for both. <p>5.17.17</p> <ul style="list-style-type: none"> • Busiest construction time of year in terms of projects – it will impact most schools. Safety for the public will be a primary focus to direct people away from the construction sites. We have re-enforced closures and signage to communicate with patrons. <p>6.21.17</p> <ul style="list-style-type: none"> • Once MCMS and SUPS open, we will invite West Linn and Wilsonville Police to get familiarity with the schools and their new features. Floorplan will also be provided to local law enforcement. Every building is numbered with permanent numbers both indoors and outside the window. These two new schools will enforce entrance through the front office (front office banks will be locked 	Pat McGough	Ongoing

Item	Description	Responsible Party	Status (due by)
	<p>during the school day). Boeckman and Bolton are up for discussion for summer 2018.</p> <p>9.20.17</p> <ul style="list-style-type: none"> • First day of school was a great success across the district! <p>10.18.17</p> <ul style="list-style-type: none"> • Lots of start up activities at both new facilities. Possibility that Meridian Creek may still need a mailbox that's streetside. Design is starting up at Boeckman Creek and Bolton which will have controlled entry and shelter systems. <p>12.20.17:</p> <ul style="list-style-type: none"> • Conversations will be starting to determine summer 2018 projects which may temporarily affect building operations. 		
17-5.2A	<p>3. District Safety Website</p> <p>5.17.17:</p> <ul style="list-style-type: none"> • Curt Nelson will be having the IT Specialists working on a District Safety Webpage for student/staff safety and security over the summer. <p>6.21.17:</p> <ul style="list-style-type: none"> • This will start this summer varying from inclement weather, IPM, radon, bus safety, etc... <p>9.20.17</p> <ul style="list-style-type: none"> • Not live yet, limited access which is getting updated by IT <p>10.18.17:</p> <ul style="list-style-type: none"> • OCR Complaint for ADA Compliance – text coding for a website to read itself out loud (for visually impaired). Website will slowly undergo a change that will meet compliance. Right now, district safety information is all conveyed via PDF files which are not compliant. Continuing to work towards comprehensive and compliant, but this might take more time now with the adjustments required. <p>12.20.17:</p> <ul style="list-style-type: none"> • IT recently revamped the district website to better meet with ADA Compliance. District Safety Website may be at a hold until we learn how to translate a PDF. 	Curt Nelson	Ongoing
17-5.2B	<p>4. Emergency Operations Plan</p> <p>10.18.17:</p> <ul style="list-style-type: none"> • EOP (Emergency Operations Plan) is being worked on by the District Safety Leadership Team so that it's unique and specific to the district. Compatible with FEMA's protocols and language; follows practices of 'I Love U, Guys' Foundation. <p>11.15.17:</p> <ul style="list-style-type: none"> • Josh has two-week Nurses meeting today with Jennifer Spencer-Iiams with regards to the Emergency Operations Plan. • Weekly meetings are still occurring with the District Safety Leadership team to continue working on the EOP. <p>12.20.17:</p> <ul style="list-style-type: none"> • Continuing to have weekly meetings and about 75% of the way complete. 	District Safety Leadership Team	Ongoing
17-6.1	<p>5. Exclusion Program/Towing</p> <p>6.21.17:</p> <ul style="list-style-type: none"> • Recently, a camper has been parked at Inza Wood Middle School and the district does not have any authority or capability to react at this time. • Jason Dolan is going to send over information about the Exclusion Program – anyone can sign up for this and it's a database of all addresses that allows the district to agree to statements such as 'as a district, we agree to forbid practices such as camping, doing business, etc...on our sites.' If local police sees these happening, there are no criminal charges the first time (warning), but there is record made and 	Jason Dolan Jeff Halverson Tim Woodley District Safety Leadership Team	Ongoing

Item	Description	Responsible Party	Status (due by)
	<p>reports to the district. Should it happen again, law enforcement would act as necessary with primary authority.</p> <p>7.19.17</p> <ul style="list-style-type: none"> West Linn will need to initiate this process, Officer Dolan to move forward Wilsonville <p>9.20.17</p> <ul style="list-style-type: none"> Officer Dolan to send to Tim Woodley and Officer Halverson to move forward West Linn. <p>10.18.17</p> <ul style="list-style-type: none"> Officer Dolan provided the Clackamas County Sheriff's Office Exclusion-Trespass Procedure Manual for the District Safety Committee to review (for Wilsonville + Athey Creek, Stafford, District Office, Department of Operations). District Safety Committee moved to advance the manual to the District Safety Leadership Team for review. Officer Halverson is working on the West Linn schools. Likely that another meeting with local law enforcement/leaders might happen in the late fall. <p>11.15.17:</p> <ul style="list-style-type: none"> Tim took this to the District Safety Leadership Team, which then brought more comments from the superintendent world to work with students in schools (had a little different view on it). It was recommended that legal be talked with. Legal looked through it, and connected with district leadership members. He cited a bunch of ORS citations that actually provide a path for the district to respond to everything without the exclusion packet entirely. Neither legal nor the superintendent's office feels that we should sign up for this. Legal gave Pat some feedback about a new ORS that allows us to be able to take some action (such as move a car that obstructs operation). Perhaps we should identify a towing company and determine under what circumstances we would call and ask that they remove a car...reach an agreement. Pat has one in mind that we can meet with. <p>12.20.17:</p> <ul style="list-style-type: none"> Not sure of the mechanics on if we are required to post 'Tow Away' vehicles. Pat will connect with Fox after the first of the year. 	Pat McGough	
17.10.5	<p>6. SRO Office Labels</p> <p>10.18.17</p> <ul style="list-style-type: none"> Wilsonville High School SRO Office is currently labeled STORAGE, needs to be correctly identified. West Linn High School SRO Office room number also needs to be correctly identified. <p>11.15.17:</p> <ul style="list-style-type: none"> Work orders were created and we just need to order the signage <p>12.20.17:</p> <ul style="list-style-type: none"> Doug dropped these off recently and it is estimated to take about four weeks; he will checkin with them. 	Pat McGough	
17.11.2	<p>7. Keys for Substitutes</p> <p>11.15.17</p> <ul style="list-style-type: none"> Do we issue keys to substitute teachers? At Meridian Creek and Sunset we do, but should this be implemented at other schools as well? <p>12.20.17</p> <ul style="list-style-type: none"> The protocol that we would endorse is that yes, we would. That would mean relocking the exterior of the school. Once we do, we will meet with the principals and secretaries at each school to implement a checkin/checkout system for substitutes at for each site. 		
17.11.3	<p>8. Shelter lock software at both Meridian Creek and Sunset</p> <p>11.15.17</p> <ul style="list-style-type: none"> Meridian Creek and Sunset will both be scheduled and complete for their first official lockout/lockdown drills by winter break. Cindy to 		CLOSED

Item	Description	Responsible Party	Status (due by)
	<p>email date/time when these are set. Shelter lock software initiated or not?</p> <p>12.20.17</p> <ul style="list-style-type: none"> System is operating as designed. Drills went successfully with the schools abiding by district protocols. 		

NEW SAFETY COMMITTEE ISSUES/DISCUSSION:

- 1) Patron reported that the ‘back’ gym at Boones Ferry Primary has a very dark path. Wants to know if there is a solution for both parents and students to make it safer.
 - a. Unfortunately, because of the building design/layout there are too many distractions, mischief, and vandalism when the front of the building is accessible after hours (you have to walk through the school to get to the gym vs. there being a separate wing that can close off the library and classrooms). Over the years we have added lighting to make it safer – we do need to inspect the exterior lighting to ensure that lights are all operable. Doug to check tomorrow morning. If we need to add poles or light paths, we will have that conversation.
- 2) Video monitoring/Cameras – we have done some research to learn that IT has four vendors the district can go through. Reece is interested and they are local. Tim, Curt, Pat, Jeff, Remo, and Reece to have a meeting to ensure that communication is going through to the right person, find out what state contracts they do have, and determine whether to give them the award as a vendor or not. There is a service that goes with this, it’s subjective and something that needs to be considered.
 - a. Sonitrol has a feature that is based around building security, and maybe we don’t have this service like we thought we did. It’s based around the number of individual IDs the district has over time (not one year, it’s per employee that’s ever worked for the district). We are over 10,000 now (vs. 9,999), which affects the security codes because the last four numbers are becoming duplicates.

NEXT MEETING: January 17, 2018 – DOC Conference Room, 7:30 AM

Minutes were prepared by Cindy Crowder. Please submit in writing any corrections to West Linn-Wilsonville District Safety Committee prior to the next meeting date; otherwise the minutes will stand as reported. crowderc@wlwv.k12.or.us
