20.1-14	<p>Emergency Operations Plan</p> <p>1.16.19:</p> <ul style="list-style-type: none"> Nothing to report. <p>2.20.19:</p> <ul style="list-style-type: none"> Nothing to report. <p>3.20.19</p> <ul style="list-style-type: none"> Reviewed with nurses, reviewed and had training with CREST. Go-kit was delivered at CREST on 3/20/19. We have completed an 	<i>District Safety Leadership Team</i>	<i>Ongoing</i>

	<p>emergency operation plan for Three Rivers Charter School. Tim will meet with Nic Chapin, head master at Three Rivers, to review.</p> <ul style="list-style-type: none"> • District will help Three Rivers in compliance with the Healthy and Safe Schools act: lead, lead in water, radon, and IPM. • District will not charge Three Rivers to incorporate them into our emergency operation plan. Adding them to the district plan will provide continuity as Three Rivers students transition to the high schools. • Three Rivers will be included in an environmental safety plan starting SY19-20 July 1, 2019. • Jeff Halverson will act as SRO. <p>4.17.19</p> <ul style="list-style-type: none"> • Three Rivers S-EOP was approved and signed for on 4/10/19 by Nic Chapin. Go kit was reviewed and signed for. Six emergency safety guides were delivered, one for each classroom and one for the front desk. Three Rivers have formed their school safety leadership team (SSLT) consisting of the principal, two secretaries, and a teacher. They meet every week. <p>5.15.19</p> <ul style="list-style-type: none"> • There was a Safety training for office staff of DO and DOC. The focus was on reunification. Reviewed the rolls for an offsite reunification. Training was well received. • Aaron Downs will be taking on the position of interim Operations Director. In the EOP he has a specific roll and would also have an additional roll. Both rolls are a vital part of the EOP. The DSLT will meet to review Aaron's two rolls and decide if everyone should move up. • Tim reported there will be security on site for the Wilsonville HS graduation ceremony at Rolling Hills Church. The District will let the church know what security group will be used. Only one uniformed armed officer would be needed. Officer Dolan has been asked to be present. Pat will work out the details and will report back on this. <p>6.19.19</p> <ul style="list-style-type: none"> • Nothing to report <p>7.17.19:</p> <ul style="list-style-type: none"> • Hannah Chow will remain as record keeper for the S-EOP's and meet with principals in September 2019 to update the pages. • Aaron Downs spoke with Rolling Hills about a nationwide initiative to increase safety and security at graduation. The safety/security relationship between Rolling Hills and the District has been positive but as the District grows, they are suggesting to improve security. • Principals have been asked to review building plans. • Hannah and Pat will connect about getting West Linn PD updated maps. <p>9.18.19:</p> <ul style="list-style-type: none"> • Ongoing. Aaron requests feedback from SRO's. Jeff Halverson confirms the principals and staff are supportive and willing to implement the school safety plan. • Pat will send Stephanie McCluskey maps and floorplans. • Stephanie and Jeff H. will meet with staff at Three Rivers to discuss their safety plan. • Pat sends a question to the DSLT: If the first lockdown drill is announced, can the second one be unannounced? Aaron is working with DSLT to make sure our drills are as realistic as possible i.e. active shooter training, unannounced lockdown drills, unannounced evacuations. • Aaron identifies that the district is always readily available to attend drills and debrief with the principals. Jeff Chambers confirms that the teachers are improving every time they train for each drill. He 		
--	---	--	--

	<p>suggests to continue training with purpose and identifying areas of improvement.</p> <ul style="list-style-type: none"> • Aaron wonders if the principals and district staff are continuing to think about the worst case scenario and improving on our practices to debrief and find areas to improve on. • Aaron says when there are open campuses, especially at a high school level, we have to practice drills when students are outside, during lunch. Pat confirms the primary schools are practicing drills during recess. Stephanie confirms Aaron’s suggestion on practicing “real life” situations. • Increasing awareness and importance of School Safety Leadership Teams in each school to discuss “real life” emergencies. DSLT can encourage these meetings within each building. Staci Ball offers help in the communication process. <p>10.16.19:</p> <ul style="list-style-type: none"> • First Responders Breakfast on Wednesday, October 9 was scheduled to review emergency plans and protocols. Table top exercises are helping to train and inform District staff. Two more meetings are scheduled for this school year. Jeff Chambers and Mark Law agree that it’s beneficial and informative for all participants. Josh believes that different perspectives are helpful bringing the police department, TVF&R and school district together. Jeff Halverson will encourage other sergeants to attend. • Hannah Chow is continuing to work on updates and record keeping for the 2019-20 school year and has met with most principals to review individual school plans. <p>11.20.19:</p> <ul style="list-style-type: none"> • Dr. Downs reports to the District Safety Leadership Team on discussions from safety committee meetings. Pat asks who provides a sample EOP to school districts requesting it. Hannah confirms that the request is sent to her and Dr. Downs and he decides with help from the DSLT. • First Responders Breakfast went well on 10/9/19. Stephanie says the tabletop exercises are helpful when she meets with school principals. Josh says as the group get more diverse, they are discussing emergency operation solutions during tabletop exercises. Jeff H. confirms that the secretaries’ involvement is helpful. Stephanie agrees that its helpful when other staff members are there, including First Student. Two more planned for the 2019-20 school year. <p>12.18.19:</p> <ul style="list-style-type: none"> • Pat says the District is still understanding roles and responsibilities under operations for the incident command system and identifying roles from the District Safety Leadership Team. Aaron says the roles might be changing as District officials enter in and out of interim positions. <p>1.14.20:</p> <ul style="list-style-type: none"> • Aaron reminds committee that the DSLT is still working through the roles and responsibilities for the district command system. Roles might change as positions are still being filled. Pat says each person should learn their substitute role. Jeff says table top exercises are helpful in understanding command system responsibilities. Kathe wonders if there are plans for a reunification drill. Aaron confirms that the DSLT are in the planning phases of a reunification mock drill. Neighboring districts have already completed these drills. Aaron says the District Office might need to work with Operations to make sure everyone knows their role in the reunification process in case of a real event. <p>2.19.20:</p> <ul style="list-style-type: none"> • The District will not be conducting a reunification drill this year. The District Safety Leadership Team will continue conversations about scheduling for next year. <p>4.17.20:</p>

20.1-14	<p>Safe Routes to Schools</p> <p>1.16.19:</p> <ul style="list-style-type: none"> • SRTS open house scheduled 1.29.19 at Trillium Creek for City of West Linn. Morgan Palmer with City of West Linn is helping facilitate. Public comment and input will be received at open house on 1.29.19. District will advertise through listserv. <p>2.20.19:</p> <ul style="list-style-type: none"> • Open house on 1.29.19 went well. Hannah is working with Morgan Palmer at the City of West Linn to develop an action plan for SRTS in West Linn. A work session with City Council is planned for March 4th, 2019 at West Linn City Hall to discuss action plan. <p>3.20.19:</p> <ul style="list-style-type: none"> • City of West Linn passed bond to improve streets for SRTS. Action plan has been developed with the help of the district. City is prioritizing street projects using maps provided from the district. After open house at Trillium Creek in January, City of West Linn will bring projects to city council and discuss where to start. City of Wilsonville has assigned Sheilagh as their SRTS spokesperson. They wanted the district to be involved in their action plan for SRTS education. District responsibility by law is to be a consultant for city officials. <p>4.17.19:</p> <ul style="list-style-type: none"> • ODOT is hosting an upcoming workshop to learn how to apply for “non-infrastructure” grants that can help fund education for things like training SRTS volunteers. I (Hannah) will attend the workshop to meet ODOT’s SRTS program managers and ask questions about the various programs. Morgan Palmer from the City of West Linn will attend the workshop and learn how to apply for SRTS grants. Morgan Palmer is developing an action plan for SRTS in West Linn and the action plan includes the school district acting as a consultant for the City of West Linn’s SRTS plan. <p>5.15.19:</p> <ul style="list-style-type: none"> • The district has coordinated with the city of West Linn and the city of Wilsonville to coordinate crosswalks and create and post maps. Tim will meet with city coordinators to help SRTS have more access to PTA groups. Hannah will be attending the Bike to School event at Rosemont. <p>6.19.19:</p> <ul style="list-style-type: none"> • David, Hannah and Tim met with Morgan Palmer from City of West Linn and Sheilagh Griffin from SMART on 5/15/2019 to discuss the District’s SRTS plan. David will send an email to principals about our Safe Routes to School initiatives and our request to coordinate with PTA members, Sheilagh Griffin will help us organize a crossing guard training program in Wilsonville where instructional assistants and volunteers from West Linn schools can also attend. Morgan will continue working on infrastructure improvements in West Linn and attend the PTA meetings with Hannah for feedback on prioritizing projects. Hannah, Sheilagh and Morgan will create a SRTS action plan to include projects in West Linn and educational programs in Wilsonville. This proposed action plan will be sent to David and Tim for approval. <p>7.17.19:</p> <ul style="list-style-type: none"> • Aaron Downs has been in communication with Trillium Creek. The PTA is considering improving the walking paths and using PTA funds for the improvements. Tim Woodley, David Pryor, and Bob Carlson met to create a plan for the walking path. <p>9.18.19:</p>	Aaron Downs Hannah Chow	Ongoing

	<ul style="list-style-type: none"> • Pat McGough brought up sidewalk improvements on Wilsonville Rd. They are making sidewalks ADA accessible. Aaron and Pat have been working with the school board and the city of Wilsonville, on how to handle safe routes to school. Routes to school have been blocked and students are walking in the roadway. The biggest concern is First Student following their existing routes and getting students to school on time. • Trillium Creek pathway: neighborhood association requested assistance from the school district and Tim said no. • Hannah Chow and Sheilagh Griffin from the SMART bus company are working on a crossing guard training program. They are coordinating with Andrew Kilstrom to film an instructional video to distribute at schools. Hannah will work with facilities to purchase crossing guard training equipment. <p>10.16.19:</p> <ul style="list-style-type: none"> • Aaron says safe routes to school is becoming more difficult in Wilsonville for infrastructure projects and roadwork. Pat says traffic is backed up on Wilsonville Road near Wood and Boones Ferry. • On October 15, Jeff Halverson and WLPD spent time encouraging families and community members to be more aware of the constant flow of pedestrians at school sites. Aaron says crossing guards at high schools historically has not been very popular. <p>11.20.19:</p> <ul style="list-style-type: none"> • Roads are open in Wilsonville. Stephanie asks what to do when children are missing school because older siblings are taking care of the younger siblings. How do we navigate bus service for students who are dealing with family neglect? Mark asks if there is county assistance for these families. Aaron says we should find a solution and First Student has regulations where they can't leave the bus unattended to knock on a student's door. Aaron suggests to contact Dr. Pryor if it's a primary level issue. Aaron says they have new type 10 vehicles where they can leave and assist with routes. <p>12.18.19:</p> <ul style="list-style-type: none"> • Stephanie politely declines crossing guard training at all schools but is happy to help film a training video. Aaron asks if Sheilagh Griffin and Stephanie can help train school employees in Wilsonville who can train future crossing guards. Josh and Staci confirm that the schools assign specific school employees for this role. Aaron asks if all primary schools have crossing guards. Pat and Jeff confirm that Cedarock Park does not have crossing guards. Pat says they primarily use crossing guards for buses. Aaron asks for Hannah to follow up with the City of Wilsonville and identify a "train the trainer" model. <p>1.14.20:</p> <ul style="list-style-type: none"> • Crossing guard training is ongoing. Formal training is planned for April. <p>2.19.20:</p> <ul style="list-style-type: none"> • Pat McGough says facilities repaired 200 feet of asphalt at Trillium Creek. It's the pathway closest to Rosemont. They cleaned up the path and helped to create safe routes. The land is privately owned and the District has agreed to perform maintenance. • Crossing guard training will be held on March 18th at West Linn High School from 1:30pm to 2:30pm to include a representative from each primary school that will go back to their school and help train the other crossing guards. The Districts SRO's, Jeff Halverson and Stephanie McCluskey, will help in the training efforts on March 18th along with Sheilagh Griffin and Hannah Chow. Vests, signs and equipment will be distributed on that day. Each school needs to select an existing crossing guard to attend the training and bring materials back to their school. The attendee is responsible for training existing school crossing guards and new crossing guards.

20.1-14	<p>Drills</p> <p>1.16.19:</p> <ul style="list-style-type: none"> • Ongoing. Jeremy says announcements on radio are helpful. <p>2.20.19:</p> <ul style="list-style-type: none"> • Staci Ball recommends ongoing training school staff about the difference between lockdown and lockout. Pat says we adopted the lockout/lockdown language from I Love You Guys and making sure we are keeping language consistent across the district. Jeff Chambers says he speaks to school staff during debrief after each lockdown/lockout drill to help them explain the difference. Kathe Monroe will put emergency drills handout in each new hire packet. Jeremy says he noticed many staff members at the first responders breakfast who did not know the difference. <p>3.20.19:</p> <ul style="list-style-type: none"> • Schools are still learning difference between lockout and lockdown. Staci recommends adding colors as a distinguishable difference for drills. Hannah will send Kathe Monroe handout for new hire packets. <p>4.17.19:</p> <ul style="list-style-type: none"> • Rosemont Ridge has had six incidents this year where the fire alarm was triggered. Maintenance confirmed that it was a dusty smoke detector. • Pat reported a contractor will be hired during the summer to clean and replace, if needed, all the smoke detectors at Rosemont. <p>5.15.19:</p> <ul style="list-style-type: none"> • TCPS has had two false alarms. It has been found there was a program issue with the fire alarm. The fire alarm at BOLPS has a relay issue. Curt is working on getting this fixed. <p>6.19.19:</p> <ul style="list-style-type: none"> • Ongoing <p>7.17.19:</p> <ul style="list-style-type: none"> • Jared is working at Rosemont to clean the fire heads. He shuts down the system to work on them. • Jeff is excited to attend the lockdown drills and having conversations with principals about timing and safety improvements. These conversations will continue Tim’s mission to increase safety practices. Staci Ball asks about appropriate rooms to contain students during the drills. Jeff recommends classrooms and to avoid the kitchen, commons, and offices. He says to be observant and look for students in the hall before locking the room. Aaron says the conversation has changed for those who are not working in specific rooms but moving throughout the building. If you are in the halls, where do students and teachers go? He says it’s helpful to have District officials attend the drills and continue the conversation. <p>9.18.19:</p> <ul style="list-style-type: none"> • Mark suggests focusing district attention on new principals and trainings. <p>10.16.19:</p> <ul style="list-style-type: none"> • Mark Law and Jeff Halverson agree that the drills are improving. Mark praises Trillium Creek staff for the lockdown drill on Tuesday, October 15. He said it was one of the best drills the District has seen. Pat says staff take it seriously if law enforcement is present. • Pat says last summer they placed a wrestling mat in the gym. This presents a problem for earthquake drills. Students are lining up against the wall with the most support but the mat is interfering with their drill protocols. 	<p><i>Pat McGough Hannah Chow Jeff Chambers Mark Law</i></p>	<p><i>Ongoing</i></p>

	<ul style="list-style-type: none"> • SRO’s met with Three Rivers Charter School on October 15, 2019 to discuss their emergency operations plan. • Aaron says the SRO’s spent a lot of time over the summer getting law enforcement to work with the schools, understanding site floor plans, and reviewing emergency operation plans. • Aaron says principals have been asked what to do if parents and students are outside. Do you bring them inside during a lockout? This topic will be brought to the DSLT. Pat and Josh say school staff have asked similar questions specifically about keys and being able to enter with their key during a lockout. Staci says school staff has recommended to have drills while students and staff are outside. Pat says it’s up to the principal. • Aaron says the DSLT are discussing unplanned drills and not to preplan the drill but have the teachers experience more “real life” situations and unexpected practice times i.e. lunchtime, breaks, etc. There is no plan to hold random drills. Jeff Halverson says principals should bring up “real life” scenarios with their staff. Thinking about what to do beforehand and discussing possible events. Jeff said Kate Donegan at Trillium told her staff the drill will be sometime this week but not the specific time. Pat says he keeps getting questions about putting locks on certain doors that are not designed for locks. Pat encourages staff not to hide in certain rooms/spaces in the school that do not have locks on the doors. • Staci said she was at Trillium during the lockdown drill and a student was worried about law enforcement being able to see them. In a real event, will intruders be able to see them? Staci says the door opened and they were not able to see where her and the student hiding. Pat says they need to hide in rooms with locks. Aaron says during drills to pretend that you were walking in the hall and move to the closest space, preferably in a locked room. Aaron says Elert & Associates recommend certain rooms for hiding and the District needs to practice drills according to their recommendations. Staci says the staff at Trillium is identifying which spaces are appropriate to hide. Jeff Halverson says law enforcement will check all the rooms and for unlocked spaces, if teachers and students are hiding and surprise law enforcement is not the best practice for drills. • Staci says it’s a two-part concern, places to hide for drills and confidential student files not being accessed. • Fire drill at West Linn High. Staci says teachers claim the September fire drill at West Linn High did not go very well. There’s a congested computer room they were evacuated through. Greg reached out to Pat about that specific corridor. Pat says it’s an exit corridor that has to remain clear and they need to find another space to store old technology equipment. Jeremy says there used to be more space but when the renovation occurred, the room got smaller and the equipment keeps piling up. Pat has informed the school and IT. <p>11.20.19:</p> <ul style="list-style-type: none"> • Jeff C. says in the last couple of weeks there has been a lot of cancellations. He says it’s critical that District officials are there to debrief with the principal after the lockdown/lockout drill. Scheduling and communications efforts need to be made. Aaron says sometimes there are occurrences in the building where a drill needs to be postponed. Flexibility is important but consistency is also critical to make sure District staff is available. Josh says the school get busy but rescheduling a drill because they are busy is not a good excuse. • Mark says the shooting that occurred in Wilsonville on Friday, November 15 was hard to navigate because they could not figure out who decided to go into lockdown or lockout. Pat says Wilsonville High went into lockout in the morning. Jeff H. spoke to Andrew Kilstrom about communication efforts internally and externally.

Stephanie confirms that law enforcement in both cities will communicate on what actions should take place during real emergency events and SRO's can direct District staff. Aaron and Pat agree that it helped working with law enforcement and specifically Police Chief, Rob Wurpes. Aaron will meet with the SRO's and discuss an emergency plan for real life events. Aaron says during 911 calls the District office needs to speak to school office staff to decide how to move forward. Stephanie believes there would be value in providing a District map to deputies.

12.18.19:

- Pat says when District employees attended the lockdown drill on 12/17/19 at Wilsonville high school, they were able to see many students and staff through the glass and he recommends to install window coverings as part of the safety and security budget in the bond.
- Josh says when Inza Wood has drills you cannot hear the intercom in the health room and the locker rooms.
- Jeff Halverson says there's some improvement at the schools identifying between lockdown/lockout drills but still many areas for improvement especially with new staff members. He recommends to send the link for the lockdown/lockout video to all staff members. Staci Ball recommends to include it in annual trainings. Stephanie says to put drill information around the school so students and staff will have a visual of what the standard response protocols are. Jeff Chambers agrees that staff should be reminded of standard response protocols during school safety meetings. Staci says privacy curtains are the main topic for safety meetings at Trillium, Lowrie, and schools with a lot of windows/glass. Stephanie says we need to remind school staff on what the ultimate goal of lockdown/lockout trainings. Mark Law says when district staff attends drills there are schools that run their drills seamlessly and others with areas for improvement. Pat says certain schools are not structurally set up to be sound proof and promote privacy. Art Tech is one of them and the District has had conversations with school staff on how to improve during drills to include building privacy and sound restrictions. Jeff H. says to keep lockdown/lockout training simple for school staff. Aaron says is easier to track primary and middle school student's locations and lockout/lockdown trainings should be different for the high school since there's more freedom for the students to come and go. Jeff C. says there's not enough practice.

1.14.20:

- Ongoing. Shyla asks about drill schedules and what is required by the state. Pat confirms that Mark and Jeff attend most of the lockdown and lockout drills. Jeff says we are transitioning to unannounced drills. School staff are informed that the drill will happen sometime that week.

2.19.20:

- Jeff Chambers says the drill at Art Tech on 2/18 went well, but half the school was gone. There was an improvement from last time. Staci Ball says there are questions at Rosemont during evacuation drills for students using wheelchairs. Pat says to use the installed chairs. Pat says to limit the use because it damages the stairs, but he will check with SPED about how often they should be practicing with them. Josh H. says they have practiced with them at his school. Jeff Halverson says that certain staff members take the drills more seriously than others. Jeff Chambers says reminding staff members of simple practices are key to conducting successful drills. Stephanie believes table top exercises might be beneficial for the teaching staff to discuss how the drills are going and what to do in a real life scenario. Aaron Downs says he attended a drill at West Linn High and was impressed with the staff. Pat says Barb Soisson attended a drill at Wood and was pleased with the result as well.

	<ul style="list-style-type: none"> Stephanie asks who is required to call a lockout or lockdown drill, the administrator or law enforcement? Aaron says the district is hesitant to make emergency decisions without collaboration with law enforcement. He says there has been several events over the last few years where an administrator called a lockout or lockdown and law enforcement disagreed with the decision. <p>4.17.20</p> <ul style="list-style-type: none"> See COVID-19 update. <p>5.20.20:</p> <ul style="list-style-type: none"> No updates. 		
20.1-12	<p>Environmental Safety Concerns</p> <p>3.20.19:</p> <ul style="list-style-type: none"> Staci confirms no more asbestos questions have come up. <p>4.17.19:</p> <ul style="list-style-type: none"> Tim and Pat went to The Healthy and Safe Schools Plan meeting. The district is fully compliant and will submit the plan by June. Pat reported there is a new routine for IPM testing. New buildings must be tested before they are occupied. Pat will be working with Three Rivers for IPM, radon and water testing and record keeping. He will coordinate with them on sending letter to parents. <p>5.15.19:</p> <ul style="list-style-type: none"> Once the charter has been renewed at Three Rivers Pat will move forward with integrating the management of safety and security. <p>6.19.19:</p> <ul style="list-style-type: none"> Healthy and Safe Schools plan is complete. <p>7.17.19:</p> <ul style="list-style-type: none"> Aaron says the Healthy and Safe Schools plan was presented to the school board on July 12th. The state has not responded. Pat will update next time. <p>9.18.19:</p> <ul style="list-style-type: none"> Nothing to report. <p>10.16.19:</p> <ul style="list-style-type: none"> Pat says revisions are underway for the HASS plan. Aaron needs to sign. The state requests for the District to balance out testing schedules. Jeremy is working on it with Pat. Tim is still listed as the AHERA “competent” person. Pat says he will contact PBS. Staci Ball says there are black coach horse beetles in classrooms biting students at Rosemont Ridge. Staci will speak to Debi. <p>11.20.19:</p> <ul style="list-style-type: none"> Aaron and Pat will be presenting a HASS and IPM plan on 1/13 to the school board. Stephanie says she is receiving a lot of complaints about vaping in bathrooms and students with asthma are having health concerns. Stephanie recommends the District adding sensors in the bathrooms. Josh confirms that the sensors would help. There are discussions around students blocking sensors and although it’s a legitimate health concern, the District will need to coordinate with other school districts on if it’s an effective solution. Josh says it’s important to educate parents on these issues and provide visual assistance. <p>12.18.19:</p> <ul style="list-style-type: none"> Jeff C. says he researched installing sensors in the bathrooms and maintenance staff are hopeful to find the right product. Aaron says the District is trying to understand how effective the sensors are in each building. Will students hide supplies that are making the sensors go off. Aaron says the District should discuss the peer pressure element of vaping and how to improve practices around educating students to stop vaping. Aaron says the tricky part is finding evidence to support how much students are vaping. There’s a 	Pat McGough Jeff Chambers	Ongoing

	<p>decrease in how many products are being purchased. Jeff H. and Stephanie believe a parent education night in January 2020 might be beneficial. Stephanie and Josh believes educating parents on human trafficking and online exploitations of students will be beneficial for suicide prevention and awareness too. Jeff H. recommends checking with PTA groups to see if they are already doing parent education nights on these topics.</p> <ul style="list-style-type: none"> Pat says there's an indoor air quality test currently taking place at Stafford. <p>1.14.20:</p> <ul style="list-style-type: none"> Healthy and Safe Schools Plan has been shared with school board. Aaron will work with facilities to create an annual report. HASS was approved in July 2019 and implemented during the 19-20 school year. Pat says as new schools are being opened, state required testing takes time to complete the appropriate data sheets before the District can start testing. Sunset and Meridian are exempt from testing. Facilities will continue testing at other schools. Aaron thanks Pat and Jeff for doing a phenomenal job tracking the specific testing requirements. Jeremy Nichols sent update about recent water testing at 2 schools. Water testing at Meridian was complete on 12-19-19 and Sunset was complete on 12-20-19. All test results came back well below EPA action limits. Water testing at Three Rivers will be done in coming weeks. <p>2.19.20:</p> <ul style="list-style-type: none"> Pat says water testing is complete at Meridian, Sunset, and Three Rivers. He is waiting on formatting details with ODE. Herbicide applications went out on 2/20/2020. <p>4.17.20:</p> <ul style="list-style-type: none"> See COVID-19 update. <p>5.20.20:</p> <ul style="list-style-type: none"> See COVID-19 update. 		
20.1-10	<p>Long Range - Bond Planning</p> <p>4.17.19:</p> <ul style="list-style-type: none"> Nothing to report. <p>5.15.19:</p> <ul style="list-style-type: none"> Abatement and lead paint removal will take place at COPPS and BOLPS this summer. District will use a licensed contractor to complete the process. BCPS will be getting a modular building. Tim reported there are several safety projects that will be included in the next bond. In addition to new schools, new technology will be added. New and secure entries for all schools to include safety glass and shelter locks. Security curtains will also be added. Pat has been working with Jim Mangan around window tinting on the south side of TCPS. <p>6.19.19:</p> <ul style="list-style-type: none"> At the August 5th school board meeting, the board will decide to place the bond in the November elections. <p>7.17.19:</p> <ul style="list-style-type: none"> Ongoing. In accordance with Oregon State Law and WLWV School District policy EB, the district safety committee will meet once a month with the following standing members: Director of Operations, Facilities Manager, Maintenance Supervisor, Custodial Supervisor, School Resource Officers. In addition, the following rotating members will attend: WWEA-Primary, WWEA-Secondary, WWEA-Nursing, OSEA-Secretarial, OSEA-Custodial, and OSEA-Maintenance. Pat and Staci say it's important not to interfere with daily instructional schedules at the schools. The District includes maintenance and custodial staff because it does not impact their schedules as much as the teachers in the schools. Aaron says it's a delicate balance between finding the right members and those who have flexibility with their schedules so we don't have to find substitutes. Josh and Staci discuss designating officials from WWEA. Pat says in the past WWEA asked for volunteers and no one stepped forward. Looking for safety committee members from OSEA and WLEA. When the Governor relaxes social distancing guidelines, we will determine a new plan for each action item. 3/12/20 Governor Brown ordered all public schools to close for two weeks beginning 3/16/20. In response, operations disinfected all spaces in all buildings. Social distancing was recommended. 3/17/20 order was extended until 4/28/20. In response to extension, all buildings were closed to all staff, students and parents. Playgrounds were shut down and field spaces were closed. No organized activities at any site. Staff members were given access weekly to retrieve curriculum and supplies necessary for distance learning. 3/25/20 District received formal OSHA complaint regarding social distancing. The complaint centered on a scheduled meeting for operations staff at Wilsonville High School. The meeting was canceled prior to receiving the complaint precisely because the District could not ensure social distancing. The OSHA complaint was dismissed. 	<i>Pat McGough Jeff Chambers</i>
