

## WEST LINN - WILSONVILLE SCHOOL DISTRICT

### Water Quality Information

August 1, 2016

Dear Boones Ferry Families,

As you know, the West Linn-Wilsonville School District is testing the water in all schools this summer. As each school's lab results are made available to the District, they are being shared with families in that school.

The results from July testing at Boones Ferry Primary School show that out of 100 test locations, none indicated elevated levels of lead that exceed the action level of 20 parts per billion.

More information about District water quality testing is available at <http://www.wlww.k12.or.us/Page/10603> .
