

Notice to Contractors & Short Term Workers at WLWSD Bolton Primary School

All workers entering this building must sign in, thereby acknowledging the presence and locations of asbestos containing building materials (ACBM) in WLWSD Bolton Primary School Bldg. No work will be authorized in the areas listed below without prior approval from Pat McGough, Maintenance Supervisor or Tim Woodley, the asbestos program manager for West Linn-Wilsonville School District.

These forms will be collected at the time of the six-month periodic surveillance and will be incorporated in the building’s asbestos management plan.

*Asbestos containing building materials at Bolton Primary School are located in the floor tile/mastic, fire doors, covebase/mastic and concealed pipe insulation in various locations throughout building. Asbestos containing building materials, locations and quantities are published in the facility Asbestos Management Plan that is available at each site, at the District Operations Center, and will be posted to the virtual **RIGHT TO KNOW CENTER**.*

ALL WORKERS MUST CONTACT THE BUILDING ENGINEER, PRIOR TO PERFORMING ANY WORK IN THIS FACILITY.
