

Children's Center

A place where healing begins

Please Note: The resource providers on this list responded to a questionnaire identifying their services to children and families. Children's Center provides this list to assist you in finding a counselor who meets the individual needs of your family. Inclusion on this list does not indicate a recommendation by Children's Center or verification of provider expertise. We have enclosed information about how to choose a counselor to assist your family. If you have questions or need assistance, please call family support at 503-655-2734.
