

West Linn Food Pantry Home Plate Program

The [West Linn Food Pantry](#) created the Home Plate Program in 2016, which is our way of helping the local primary schools offer food for those children who otherwise would go without over the weekend. It started as a pilot program at Willamette Primary School in the spring of 2016. Our Home Plate program has been very well received and we have expanded the program to include five additional West Linn area primary schools (Bolton, Cedaroak Park, Sunset, Stafford, and Trillium Creek).

At a cost of approximately \$3.50 per bag per week, a weekend bag of food typically includes items such as: a can of tuna, crackers, peanut butter, jam, microwave popcorn, fruit, snack bar, instant oatmeal, a pasta bowl, and hot chocolate.

We do separate fundraising for the Home Plate Program. To make food or money donations, please [contact the West Linn Food Pantry](#).

The West Linn Food Pantry is committed to ensuring everyone in our community has enough food to eat. By working together, we build a stronger community.
