Provider Flexibility and Network Savings

Members aren't limited to one particular dentist, or a small group of providers, who may or may not be taking new patients. Each plan member is free to visit any provider they choose, including your current dentist, regardless if they are in - or out-of-network. And family members do not have to see the same dentist. When you visit an in-network dentist there are no claim forms to complete. For a list of network dentists in your area, go to Find A Provider at ameritas.com.

Covered expenses will not include and benefits will not be payable in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.
