New Fire Station on Hidden Springs

TVF&R started construction of the new Fire Station #55 on Hidden Springs Road adjacent to the north property line of Trillium Creek Primary beginning yesterday.

To prepare for this, the West Linn-Wilsonville School District will install locks on both gates in this property line fence. A sign be installed at the northeast corner of the Trillium forest play area warning of "No Passage - Construction Zone" so children don't think they can follow the path to Hidden Springs. This will be in place for 12 months as the new fire station is constructed. Once construction is complete, the pathway will be reopened and kids can use our path that will connect to a new path through the fire station property.

Our collection of donated books is growing day by day, but we are still in need of many more books! If your family is ready to part with any books, we will happily collect them from you to place in our Book Swap. We ask that books be in good condition, and appropriate for any grade level K – 5. Each student will have an opportunity to browse and select a book to take home on June 15th or 16th. Book Swap collection boxes are set up just outside the library. We are very grateful for your donations and will keep you posted on our progress!

Update for *Count Me In* Campaign

We are just barely over the 50% goal for the amount we are hoping to be raised by Trillium Creek families. Please join the growing list of parents and community members who have donated to this spring's *Count Me In* campaign. We are hoping to reach a goal of having 100 Trillium Creek families donate to this important cause of adding teachers next fall to maintain effective class sizes. As of May 15, 33 Trillium Creek families have donated \$5,200. We are near 52% of our school's \$10,000 goal.

The COUNT campaign goal is to raise \$100,000 this year through the donations of 1,000 families for the purpose of hiring additional teachers in the West Linn - Wilsonville School District. Adding teachers will help maintain effective class sizes and will allow the district to continue to offer an extensive and wide variety of learning opportunities and experiences for our students.

Please consider making your donation today to this important campaign by clicking on the link below to go to the West Linn – Wilsonville Education Foundation website. Whether your donation amount is \$5 or \$500, it will be an important help towards our goal of hiring additional teachers and keeping class sizes effective. Remember to "tag" Trillium Creek Primary as your school affiliation when you make your donation so we can reach our goal for this year!

Thank you so much for all that you do to support our students, staff, and community!
