Eyewear Savings

Ameritas plan members may receive up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance; it is available to members at no additional cost to their plan premium.

To receive the eyewear savings identification card, Ameritas plan members can visit ameritas.com and sign-in (or create) a secure member account. Members must present the Ameritas Eyewear Savings Card at time of purchase to receive the discount.

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal.

Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan.

The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

In addition, when members are in their Secure Member Account, they can:

- Go paperless with electronic Explanation of Benefits statements and reduce the clutter in their mailboxes
- View their certificate of insurance and specific plan benefits information
- Access value-added extras like the Rx discount ID card

Domestic Partner

Domestic partner language is available upon request.

Incentive Coinsurance

Plans with coinsurance levels that progressively increase are designed to reward your loyal employees: The longer they stay on the plan, the higher their coinsurance. As long as plan members have at least one dental claim submitted each benefit period, they continue to advance one coinsurance level until they reach the plan's highest benefit level. If a plan member fails to have at least one dental claim submitted during any benefit year, he or she will revert back to the beginning coinsurance benefit. If that happens, members can progress back to higher coinsurance levels in subsequent years by submitting at least one dental claim each benefit year.

This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer. It is not a certificate of insurance and does not include exclusions and limitations. For exclusions and limitations, or a complete list of covered procedures, contact your benefits administrator.
