Board Policy Development

It is the intent of the Board to develop policies and put them in writing so that they may serve as guidelines for the successful and efficient functioning of the district.

Board policies are meant to serve as sources of information and guidance for all people who are interested in, or connected with the district.

The policies of the Board are framed, and are meant to be interpreted, in terms of Oregon laws, rules and regulations of the State Board of Education, and all other regulatory agencies within our local, county, state and federal levels of government. The policies are also framed and are meant to be interpreted in terms of those educational objectives, procedures and practices which are broadly accepted by leaders and authorities in the public education field.

The district shall make available for inspection to the public and district employees, copies of the Board's policy manual.

The superintendent is to be delegated the responsibility to maintain the Board's policy reference files, to draft policy proposals as instructed by the Board, to maintain the Board policy manual, and to serve as liaison between the Board and the Oregon School Boards Associations' *Policy Update* series.
