Immunization, Dental Screening and Vision Screening/Eye Examination**

Prior to and as a condition of enrollment in the district, students not previously enrolled in a private, parochial or public school in the state of Oregon must present to the school one or more of the following written verifications:

1. All documentation by the parent that the child has received the immunization as prescribed by the Oregon Health Authority;
2. A statement signed by a physician or representative of a health department that the child has received immunization as prescribed by the Oregon Health Authority;
3. A medical exemption statement signed by a physician that the physical condition of the child is such that immunization would endanger his/her health;
4. A certificate of non-health exemption from a physician or the Oregon Health Authority that the child is being reared as an adherent to religious or philosophical beliefs;
5. Students coming from out of state and requesting enrollment are subject to the above conditions, with this exception: 30 days from initial enrollment date to complete and present a verification statement.

Students not having met the conditions of immunization will be excluded from attendance in district schools until such requirements are completed and presented to the school.

Vision Screening/Eye Examination

The parent of a student who is 7 years of age or younger and is beginning an education program with the district for the first time, shall within 120 days of beginning the education program, submit a certification that the student has received:

1. A vision screening or eye examination; and
2. Any further examination, treatments or assistance necessary.

The certification is not required if the parent or guardian provides a statement to the district that:

1. The student submitted a certification to a prior education provider; or
2. The vision screening or eye examination is contrary to the religious beliefs of the student or the parents or guardian of the student.

Dental Screening

The parent of a student who is 7 years of age or younger and is beginning an education program with the district for the first time, shall within 120 days of beginning the education program, submit a certification that the student has, within the previous 12 months, received a dental screening.

The certification is not required if the parent or guardian provides a statement to the district that:

1. The student submitted a certification to a prior education provider;
2. The dental screening is contrary to the religious beliefs of the student or the parents or guardian of the student; or
3. The dental screening is a burden, as defined by the State Board of Education, for the student or the parent or guardian of the student.
