Go to Google Classroom and click on today's assignment: Conflict over Resources in the Congo

Read the interactive map about resources and make a key in your journal and describe what each resource is used for.

Read the article, Congo Cursed by its Wealth and complete the following:

1. After reading through page 6 write a 3-5 sentence summary in your journal.
2. At the end of the reading, answer the following questions and use text evidence to support your thinking.
3. Why is there so much conflict in the Congo?
4. What connection do you see between European imperialism in the Congo and the conflicts there?
5. Explain how conflicts over resources has affected the Congo today.
