

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

How do we create learning communities for the greatest thinkers and most thoughtful people...for the world?

The West Linn-Wilsonville School District mission “question” expresses Willamette Primary School’s dedication to outstanding student achievement. We use regularly scheduled assessments, student-teacher conferences and State tests to measure student learning and identify significant avenues for school improvement.

The redesigned ODE school report card provides additional information. Willamette’s Overall State Rating of 4 indicates we meet targets for reading and math. However, as long as there is a

higher score, we will strive for it! Willamette is committed to remarkable annual learning growth for all children. We must pay particular attention to supporting subgroups of learners, such as emerging bilingual children and those with disabilities, to achieve the highest rating.

Willamette is synonymous with strong community. We look forward to collaborating with you to grow the greatest thinkers and most thoughtful people for the world.

Thank you,

Principal | David Pryor

**OVERALL STATE RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.
