

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

**How do we create learning communities for the greatest thinkers and most thoughtful people...for the world?**

The West Linn-Wilsonville School District mission “question” expresses Rosemont Ridge Middle School’s dedication to outstanding student achievement. We use regularly scheduled assessments, student-teacher conferences and State tests to measure student learning and identify significant avenues for school improvement.

The Oregon School Report Card provides additional information. Rosemont Ridge is committed to remarkable

annual learning growth for all children. We pay particular attention to supporting subgroups of learners, emerging bilingual children and those with disabilities, to achieve the highest rating.

Rosemont Ridge is synonymous with strong community. We look forward to collaborating with you to grow the greatest thinkers and most thoughtful people for the world.

Thank you,

Principal | Debi Briggs-Crispin

**OVERALL SCHOOL RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**

**SCHOOL PERFORMANCE**

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments?  Yes  No, Interpret Results with Caution  
*Participation rate criteria are in place to ensure schools test all eligible students.*

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
