

FROM THE PRINCIPAL

Dear Parents and Community Members,

How do we create learning communities for the greatest thinkers and most thoughtful people...for the world?

The West Linn-Wilsonville School District mission “question” expresses West Linn High School’s dedication to outstanding student achievement. We use regularly scheduled assessments, State and national tests to measure student learning and identify significant avenues for school improvement.

The Oregon School Report Card provides additional information. West Linn is proud of our outstanding rating and

looks forward to continuing excellence at this level! We are committed to remarkable annual learning growth and a diploma for all students. We are particularly proud of our graduation rate. We pay attention to supporting subgroups, emerging bilingual children and those with disabilities, as we strive to achieve the highest rating.

West Linn students have chosen the theme, West Linn Strong to signify their commitment to each other and each student’s success.

Thank you,

Principal | Kevin Mills

STUDENTS

OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
