**FROM THE DISTRICT SUPERINTENDENT**

Dear Parents and Community Members,

**How do we create learning communities for the greatest thinkers and most thoughtful people..for the world?**

In West Linn-Wilsonville we proudly recognize the outstanding effort and accomplishments of our students who demonstrate high levels of learning from the classroom to the playing fields to the stage. We invest in our students by maintaining an enriched educational program from preschool to graduation. We strive to foster a growth mindset in our students. Learners with a *growth mindset* display the willingness to persist in learning at high levels leading to unprecedented results.

The Oregon State Report Cards provide additional information. We are proud of our graduation rate and are committed to closing achievement and opportunity gaps toward our goal of seeing each child graduate from our schools.

Thanks to our community for the strong circle of support surrounding our children; believing in them as they learn to believe in themselves. We look forward to collaboration with you as we grow the greatest thinkers and most thoughtful people for the world.

Thank you,

Superintendent | Kathy Ludwig
