## FROM THE PRINCIPAL

Dear Parents and Community Members,

Learning at Boeckman Creek Primary School is guided by our district mission question: How do we create learning communities for the greatest thinkers and most thoughtful people...for the world? Our school is committed to high quality learning for each student. We are dedicated to promoting the growth and success of all students as learners.

We use classroom work and assessments, student-teacher conferences and regularly scheduled measures that include state assessments to evaluate students' progress, plan instruction and identify areas for school improvement. The

Oregon school report card provides additional information. Our goal is to provide rigorous and rich learning while also ensuring that all students are supported and recognized as individuals who are becoming increasingly confident and competent. We appreciate and welcome partnerships with families and believe they strengthen our school community.

Thank you,

Principal | Lindy Sproul

## STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
